PRELIMINARY WORKING DRAFT

Part 1. Introduction

A. Our History

The Market began on July 26, 1975 in Third Street Park with 23 vendors and continued there until it outgrew the location in 1982. At that time it moved to the Courthouse Square, where it remained until the renovation of the Courthouse necessitated its move in 1984 to the parking lot at Sixth and Lincoln.

In 1998, its 24th season, the Market moved to a permanent location at Showers Common, a covered site designed specifically to house the Market. In 1999 the Tuesday Market opened on the Showers Plaza and in 2008 it moved to Sixth and Madison Streets. The Holiday Market was introduced in 2003 on the Saturday after Thanksgiving. The November Market began in 2004 to extend the Saturday Market season. In 2005 the Market season was further expanded to open a month earlier, in April.

Through its 46 years in existence, the Market has enriched the life of the community by providing a place for residents and visitors to come together in a festive atmosphere, to buy artisanal food, local produce and other farm products from those who produce them, to listen to music, meet friends and enjoy a relaxing time in beautiful surroundings.

B. Our Mission

The City of Bloomington Parks and Recreation Department strives to provide the Bloomington Community Farmers' Market with an attractive venue for people to come together in a welcoming and inclusive atmosphere to buy local produce and other farm products directly from those who produce them, thereby supporting small farmers and gardeners, securing a local food source and enriching and strengthening a diverse the community.

C. Our Vision

Local food growers, producers and entrepreneurs will prosper by providing a local marketplace to sell their products where consumers can talk directly to growers.

Patrons will have access to high quality, nutritious, locally grown food and experience the health-giving effects of that freshness.

Patrons will understand the value of strengthening the local economy by purchasing locally grown food.

Patrons will all experience a vibrant and inclusive community space, fostering a sense of mutual respect and caring that nourishes and inspires the whole Bloomington community.

PRELIMINARY WORKING DRAFT

Part II. Who Can Sell, What Can Be Sold?

A. Who Can Sell?

Vendors selected and approved to sell at Market must reside in Indiana and are expected to be consistently involved with and participate substantially in the production, including aspects like planting, cultivating, harvesting, and raising of goods permitted for sale at the Market. The ELIGIBILITY OF VENDORS section of the contract provides definitions to determine eligibility to vend. ~~The~~A primary mission of the Market is to support small farmers and these definitions provide clarification as to who is a small farmer.

Vendors who wish to sell at the Farmers' Market in 2020 are required to go through the application and selection process and to submit a complete Farm Vendor Application and Contract and the accompanying \$20 fee to the Parks and Recreation office by Monday, March 16, 2020, or if the vendor wants to reserve a space these materials are due at the space reservation meeting on Monday, February 24, 2020. The application fee does not apply if all vendors on the contract are 16 years of age or younger. The information on these documents is public record. Notification of acceptance of the application will be issued to new vendors and declined applicants only.

Food and Beverage Artisans and art and craft vendors sell in distinct areas of the Farmers' Market. See pages 17–18 for more information.

B. What Can Be Sold?

The Bloomington Community Farmers' Market provides a venue for selected producers to sell what they raise directly to the public. The Market staff reserves the right to verify that all goods are produced in Indiana by the vendor. Vendors should contact the Market Manager or Master (at Market or via contact information on page 1) if there is reason to believe that a vendor is not producing the product he/she is selling at Market. Market staff will appraise the situation and determine the best course of action. Vendors must display legible price markers for goods offered for sale. All displayed product must be for sale, unless the item is a part of display materials.

Vendors may only display signs, information and/or items at their stands that consist of the products they are selling or that are directly related to their business.

PRELIMINARY WORKING DRAFT

Part III. How the Market Works

A. What Type of Vendor Are You?

There are two categories of Farm Vendors: Reserved Space Vendors and Day Space Vendors.

Reserved Space Vendors are vendors who claim the same space for the entire Market season by paying a fee in advance. Each vendor is limited to one reserved space unless otherwise assigned. No portion of the prepaid fee for the reserved space will be refunded after the beginning of the Market season. Vendors who cancel their space reservations prior to the beginning of the season will be charged a \$20 administrative fee. Vendors whose applications are denied by the City will receive a refund of all fees paid except the application fee. If, for reasons outside the City's control, reserved spaces become unavailable on a particular Market Day, the Market Master will attempt to reassign those spaces.

Day Space Vendors rent spaces available each Market day (see "Market Season Specifics" on pages 9–14 for guidelines in utilizing these spaces).

Relocation of Vendors: Notwithstanding the vendor point system, the City retains the right at its sole discretion to relocate vendors for reasons of if doing so would tend to protect public safety and/or to supportprotect the efficient physical functioning of the market.

B. Vendor Point System

A point system is used to reward vendors who have participated in the Market the longest and most consistently. The system is based on the number of seasons of participation and the number of days of attendance. The same system is used for the Saturday Market and Tuesday Market; however, points for the four Markets (April, May–October, November, and Tuesday) are kept separate. Vendors participating in the Holiday Market will earn one point for each year's participation. Each Market day, a vendor must occupy and be prepared to sell from a vending space for 1½ hours during Market hours to be counted in attendance and be eligible to earn points.

Vending spaces are reserved prior to the season based on the following system: vendors with the most points select their spaces first. Space reservations will be made using the total number of points earned at the end of the previous season.

Points are earned and controlled by the primary vendor. Market attendance points are calculated as follows:

1. Two points per season for vending during a given season will be awarded to vendors who have participated in the Market in any of the three "recent seasons" (either the current season and the two prior seasons if Market is underway, or the three previous seasons if the Market has not yet opened for the year).
2. Also, for Market seasons beginning in 1983 up to the "recent seasons," a vendor receives one point for each season she/he sold at Market.
3. Additionally, vendors who participated in the Market during any of the three "recent seasons" will receive 0.2 points for each day the vendor sold during those seasons. For the Saturday Market, May–October, a maximum of 4.4 points can be earned (22 days) for daily attendance, unless Market is suspended or closed, in which case the number days points can be earned will be decreased accordingly.

In the event the primary vendor no longer vends at Market, points may be given to additional vendors for the years they were on the contract or in the case of "immediate family" for the years they were "immediate family" as defined in the farm vendor contract. In the event that the contracted vendors develop a spin-off vendor, points accumulated by the primary vendor in that space will either have to be divided among the contracted vendors, or the primary vendor will receive all the points. Vendors who have not sold at Market in more than five years will lose all points.

PRELIMINARY WORKING DRAFT

MAY THROUGH OCTOBER—PEAK SEASON MARKET

The Market opens on Saturday, May 2 and continues each Saturday through October 31.

Hours: May–September—8 a.m. until 1 p.m. and October—9 a.m. until 1 p.m. (except on June 20, when the Market hours will be 8 a.m. until noon to accommodate The Taste of Bloomington). Reservations for May–October reserved vending spaces are made at the Space Reservation Meeting on Monday, February 24, 2020.

Reserved space vendors are required to notify Market staff in person, by email — farmersmarket@bloomington.in.gov—or by phone—(812) 349-3738—before 5 p.m. Friday, or via the Market cell phone—(812) 327-7034—prior to 6:30 a.m. Saturday, if they will not be utilizing their space on a given Market day. If vendor does not notify Market staff in advance of an absence, it will be assumed vendor is not attending Market until notification of his/her attendance is received, and his/her space may in subsequent weeks be utilized as a day space.

Entering and Exiting the Market

In April–September, in order to alleviate congestion in the Market lot, trailers over 12' in length are required to either be parked in a vendor space or unloaded and removed from the Market by 6:30 a.m.

Early Vehicle Exit Spaces: Sixteen vending spaces have been designated “Early Vehicle Exit” spaces. Only vendors occupying the “Early Vehicle Exit” spaces are allowed to exit the Market site, with a Market staff escort, in motorized vehicles between 9:30 a.m. and 12:30 p.m. (April–September) and between 10:30 a.m. and 12:30 p.m. (October). The Market Master will determine whether or not it is safe to leave.

Procedures for exiting the Market at 1 p.m.: The Market Master will sound a whistle at 1 p.m. indicating vehicle traffic is permitted only for vendors removing their vehicles from the Market. The Market Master will indicate to waiting vendors when space allows for vehicles to enter the Market (vehicles only will be permitted first, followed by vehicles with trailers in tow).

In April–October, vendors waiting to access the Market in a vehicle with trailer in tow must line up on the west side of the CFC parking lot entrance to the Market, with trailers over 12' in length entering the Market last.

In November, all vendor vehicle traffic is permitted upon the whistle at 1 p.m.

Procedures for entering and exiting the Market may be modified if conditions warrant.

- Day spaces are available on a weekly basis.
- Vendors must occupy a day (if already assigned) or reserved space by 7:30 a.m. in May–September and 8:30 a.m. in October, or give up all rights to the space for that day.
- Vehicles not parked within a large vending space need to be removed from the lot by 7:30 a.m. in May–September and 8:30 a.m. in October, unless the vendor is accessing an unused, reserved vending space that was reassigned at 7:30 or 8:30, respectively.
- Large vending spaces are approx. 230 sq. ft. in size and small vending spaces are approx. 70 sq. ft. in size. Vendors' setup must be within the boundaries of their space, with the exception of flared tent legs (the tent canopy cannot exceed the dimensions of the space).

PRELIMINARY WORKING DRAFT

Accessing Day Spaces in MAY–SEPTEMBER

Vendors interested in participating in the initial distribution of these spaces should park their vehicles outside the Market and report to the Market Master at the Market shed by 6:30 a.m.

Vendors who do not have a space will select one space first, followed by vendors interested in accessing a second space, and then vendors interested in more than two spaces. Space assignments in the 6:30 a.m. pool will be based on the number of points earned by the vendor as of the space reservation meeting for the 2019 season.

Vendors interested in accessing day spaces, arriving after 6:30 a.m., should place their name and space preference on the dry erase board attached to the Market shed. Once all vendors in the 6:30 a.m. pool have received their spaces, spaces will be assigned to vendors arriving after 6:30 a.m. in order of arrival.

In the event all designated spaces are occupied, the Market Master may assign “Overflow” small vending spaces in locations that do not interfere with customer walkways, current vendor spaces and emergency access. These spaces may be smaller than 70 sq. ft. and can only be utilized by vendors occupying a single stall. Every effort will be made to find space for all interested vendors.

D. Gift Certificates and Market Bucks

Gift Certificates

Market customers can purchase Market Gift Certificates, vouchers which are valued at \$5 or \$20 each, good toward the purchase of products at both the Market and A Fair of the Arts. Any product offered by participating vendors is eligible. Customers can purchase Gift Certificates, with cash or check, during Market hours in the atrium or in the Parks and Recreation office in City Hall, Monday–Friday from 8 a.m.–5 p.m. with cash, check or credit/debit card. Gift Certificates are good for one year from the date of issue. Vendors may give change for Gift Certificate purchases.

Market Bucks—Supplemental Nutrition Assistance Program (SNAP)

Market Bucks improve access among low-income populations to fresh, local food while increasing the customer base for Market vendors. During Saturday Market hours, in the City Hall atrium, and during Tuesday Market hours, at the Market Information Table, food assistance recipients can exchange the electronic SNAP benefits on their Hoosiers Works cards for Market Bucks (vouchers valued at \$3 each). The Market Bucks can be spent with participating farmers and prepared food vendors for allowable foods.

Allowable and Non-allowable Foods

Allowed foods include fresh fruits and vegetables, meat, eggs, dairy products, bread and other baked goods, cereal and edible grains, packaged foods not intended for on-site consumption, and plants or seeds which will produce food for the SNAP user's consumption. Packaged coffee and tea may be purchased, but not brewed coffee or tea prepared for on-site consumption.

Disallowed products include foods sold hot or prepared for on-site consumption, wine, any hot or cold prepared beverages, any food purchased with the intent of reselling and any non-food items.

Accepting Market Bucks at Your Booth

Once the customer has made his/her selection, the vendor will verify the eligibility of the selected products, tally the prices and inform the purchaser of the total. In the event that the purchase does not equal an amount divisible by three, the customer may elect to pay the additional amount, or may add or subtract items in order to equal a three dollar increment. No money may be given as change or exchanged for Market Bucks.

Gift Certificates and Market Bucks Participation

Vendors are encouraged to participate in the Gift Certificate Program/SNAP (GCP/SNAP) offered by the Market. Vendors who have no SNAP-eligible products, and therefore cannot accept Market Bucks, can still participate in the Gift Certificate Program by following the same steps listed below.

In order to participate, all vendors must: 1) Indicate on the Market application their intention to participate, 2) fill out and return, or have on file, a W-9 form and a City of Bloomington Vendor EFT form, included in the Training Guide, with which you will be provided, and 3) read the GCP/SNAP Farmer/Prepared Food Vendor Training Guide.

E. General Information

Food Safety on the Farm

Food safety starts on the farm. Market staff can provide you with a handout summarizing farm food safety information. It is vitally important to practice safe food handling on your farm to help protect public health, as well as your family, business and livelihood.

Health and Safety Requirements

All items intended for human consumption must be kept out of direct contact with the asphalt at all times and be in safe and sound condition. The vendor is solely responsible for damages resulting from the sale of unsafe or unsound goods. Glass containers used for display purposes must be properly secured. Animals are not permitted in the Market, as defined by the paved area of Showers Common and the Market B-Line Café.

Sampling Product

Vendors interested in offering samples of their products should see the Market Master for Sampling Guidelines.

Equipment and Supplies

Each vendor must supply his/her own tables or other display equipment. Umbrellas or other weather protection devices are supplied by the vendor and must be securely anchored. The vendor is solely responsible for damages or personal injury resulting from the use thereof. Prior approval is required for any heat-producing devices. All equipment must fit within vendor's designated space, with the exception of tent legs, so long as the canopy of the tent does not exceed the dimensions of the space. Vendors will be required to adjust their setup if it is determined to be unsafe by Market staff.

If selling items by weight, the Vendor must use an N.T.E.P. certified scale which is legal for trade. This scale will be subject to periodic inspection by the Monroe County Department of Weights and Measures. Some produce items are limited by what ways they can be sold. Please contact the Monroe County Department of Weights and Measures to learn about the legal method of sale for the most common fruit and vegetable items. Contact information is on page 20 in the "Vendor Resources" section.

Indiana Sales Tax

Plants, crafts and other non-food items sold in Indiana are subject to sales tax. Vendors should apply for a Registered Retail Merchant's Certificate (RRMC). A business tax application (BT-1) must be filed through the Indiana Department of Revenue along with a \$25 registration fee. RRMCs must be renewed every two years.

PRELIMINARY WORKING DRAFT

Vacating the Market Site

On Saturdays, excluding the Holiday Market, vendors must vacate the premises, including the removal of all personal items and equipment, by 2 p.m. (with the exception that vendors' vehicles may remain in the Showers Common lot). On Tuesdays vendors must vacate the premises, including the removal of all personal items and equipment, by 8:30 p.m.

Vendors who remove their vehicle from the lot during Saturday Market hours should park in the IU EM-S Permit lot which is accessed from the alley between 9th and 10th Streets off Morton Street.

Farmers' Market Nutrition Program

The Farmers' Market Nutrition Program (FMNP) is a USDA-funded program managed by the Indiana State Department of Health. The FMNP has two components: 1) For Women, Infants and Children (WIC) program participants and 2) for low-income seniors. Participants in the FMNP are provided with vouchers which can be used to purchase fresh fruits and vegetables from participating vendors. Vendors interested in participating should contact the FMNP Coordinator, whose contact information is on page 20 in the "Vendor Resources" section.

Organic Certification

The Indiana Department of Agriculture Organic Resource Guide is available from Market staff. Visit www.ams.usda.gov/nop for more information, including a list of USDA-accredited certification agencies. Federal law, which went into effect in 2002, requires that any grower with sales over \$5,000 calling their product organic, must be certified organic by a USDA-accredited agency. Growers with gross sales less than \$5,000 may call their product organic as long as they sign an affidavit to that effect and comply with all other USDA rules.

Musicians

In addition to the scheduled performers on the circular stage, many musicians (buskers) choose to perform in and around Market, adding to the community and cultural experience. These impromptu performances are permitted in designated areas following the Busking Guidelines (available from Market staff).

Information Alley

The City of Bloomington Parks and Recreation Department is committed to providing an [open and inclusive](#) environment where issues and ideas are openly discussed and explored. In order to provide an atmosphere in which open communication can occur without disrupting the other activities at the Market, community groups, organizations, businesses and individuals interested in sharing information may do so in a designated area (see map on page 21) following specific guidelines (available from Market staff). Information Alley participants pay a \$10 application fee, as well as a \$10 daily space fee.

Food and Beverage Artisans

On Saturdays, you will find several food and beverage artisans associated with the Market. These spaces were created to bring the Market customer a variety of goods which complement the produce and local products that are available from the farm vendors. These special vendors are awarded rights to sell their types of products. For this privilege, these vendors pay 10% of their gross proceeds to the Market. Contact Marcia Veldman (contact info on page 1) for more information regarding product guidelines, criteria for selecting vendors and to receive a request for proposal to operate as a Food and Beverage entity.

PRELIMINARY WORKING DRAFT

A Fair of the Arts

The City of Bloomington Parks and Recreation Department invites local artists to participate in A Fair of the Arts, an arts and fine crafts fair held on the brick plaza in front of City Hall on the second Saturdays of the peak season: May through October. Applications received by Friday, February 21, 2020 will receive full consideration. Please contact Crystal Ritter at (812) 349-3725 or ritterc@bloomington.in.gov for more information regarding product guidelines, criteria for selecting artists, and to receive an application.

ATM Machine

There is an automated teller machine located in City Hall on the first floor situated between the accessible men's and women's restrooms.

Severe Weather

During Market hours, the staff member inside City Hall will monitor the weather radar. If severe weather is imminent, the Market Master will notify the Market vendors. At any time participants can go into City Hall and ask the Market assistant for a weather update.

In the event of thunder, lightning, high winds, tornado, hail or other severe weather at the Market site, it is recommended that participants take shelter on the lower level of City Hall. In the case of heavy rain, thunder or lightning, if you cannot take cover in the building, then move to an enclosed vehicle with a metal roof and closed windows, taking care not to touch the metal frame of the vehicle until the threat has passed.

The Monroe County emergency sirens sound with a steady tone in the event that the National Weather Service has issued a tornado warning for the county or if emergency personnel have sighted a funnel cloud or tornado. At the time of the siren sounding, the Market Master will alert Market patrons that the lower level of the City Hall is the safest nearby location and to seek shelter until the threat has passed. The tornado siren will sound for 5 minutes, but the cessation of the siren does not necessarily mean that the threat of a tornado has passed. Market staff will notify participants in City Hall when it is safe to return to the Market.

Vendor Profiles on Market Website

Farm Vendors and Food and Beverage Artisans are invited to submit information and a photo for an online profile page on the Market website: bloomington.in.gov/farmers-market. The profiles give Market customers a chance to learn more about your farm and/or business, growing practices, available product and contact information. [The City reserves the right to control any content submitted to ensure it is appropriate for the City website and consistent with the City's objectives and goals.](#)

To establish a profile either submit an online application or a paper application. The link to the online application or the paper application is available by contacting Market staff. Profile information is due by Friday, April 3, 2020. Updates to existing profiles will only be made once a year, during the application period, unless a major life event occurs that makes the profile inaccurate.

[City's Rights](#)~~City's Rights~~ [City Cancellation](#)

The City retains its right to terminate the Market, or to change the times, dates, locations and/or policies related to the Market, at its sole discretion, whenever the City finds that it is in the public interest to do so.
