Dear [REDACTED],

On behalf of the City of Bloomington, I agree that you may conduct urban military training in our community. In my capacity as Mayor I am duly authorized to represent, act and sign on behalf of the government of our city.

[REDACTED], a member of your command, and Scott Oldham, Captain of the Bloomington Police Department, have advised me that the proposed training will be coordinated with, and approved by Law Enforcement (in particular the Bloomington Police Department), as well as by the owner/s of the property where the training will occur. I am confident that this detailed coordination with my office and the other appropriate agencies will result in a safe and successful training event. I further understand that before any training occurs we will be thoroughly briefed. I also understand that this is not to be considered blanket permission, and that I may change my mind at any time – without cause.

The City of Bloomington supports the continued training for soldiers of our armed forces as they prepare for the challenges ahead. If you need any further assistance, please contact Police Chief Mike Diekhoff or my office.

Sincerely,

A handwritten signature in blue ink, appearing to read "John Hamilton".

Mayor, City of Bloomington
