The IJTF requests assistance in obtaining the following historical records:

1 ) How many ICE Holds has ICE put on individuals held at the Monroe County (Indiana) Jail since 2009 ?

2 ) How many times has the Monroe County Sheriff Brad Swain or any of his deputies contacted ICE to notify them of an "alien" or other individual in its custody ?

3 ) How many times has ICE declined to pick up an "alien" or individual in the Monroe County Jail based on its enforcement and removal priorities since 2009 ?

4 ) How many times has ICE put holds/ detainer requests on individuals in Monroe County Jail after Sheriff Brad Swain or any of his deputies contacted the agency ?

5 ) How many times has ICE declined to put a hold / detainer request on an individual in Monroe County Jail after Sheriff Brad Swain or any of his deputies contacted the agency ?

6 ) How many times has the Monroe County Jail held a detainee for more than 48 hours after ICE issued a hold or detainer request since 2009 ?

7) How many times has the Jail contacted ICE to let them know when an individual was being released when the person was not officially counted as an ICE "hold" in the morning inmate count/ roll call?

The IJTF would like to know if such records are not being kept, why? And the IJTF requests that the County Council hold the Monroe County Sheriff's Department accountable for future records.
