00:28:59 lgalore: Incompetent clowns. Mismanagers all of you

00:29:00 T.K. Williams: Seems like something you should've let the public  
know about

00:29:04 iPhone: Why is the BPD so afraid?

00:29:06 ava !!: other departments that conduct ice holds?

00:29:08 Hannah Roe: "Before we had oversight, we were going to do it anyway!"

00:29:17 pablo escobar: If protesters use the second amendment and show up  
to PEACEFULLY protests, just with ar-15s (a la michigan capitol), will they be  
brutally repressed by police officers? Asking for a friend...

00:29:20 spencer: BAD PR

00:29:28 Christopher Simanton: We want a promise from the Sheriff right now  
that the police will be npnviolet tomorrow and take the 8 can't wait promise

00:29:30 mcperez815@gmail.com: NO NEW COPS, NO DELAYING THIS REQUEST. The  
people have spoken!

00:29:33 ejoneal@iu.edu: Why push it NOW

00:29:35 lgalore: Resign Resign Resign Resign Resign Resign

00:29:44 ecw3@iu.edu: why is this necessary? especially right now? even if it  
was requested before recent protests, why is this needed? we should be working to  
demilitarize the police and defunding police departments to prevent police violence

00:29:58 Hannah Roe: Why is it time sensitive?

00:30:00 Rebecca Fasman: why time sensitive??

00:30:02 ava !!: ^^^

00:30:07 ejoneal@iu.edu: ^^^

00:30:08 AJ Raymond: Why is it time sensitive?

00:30:09 Dan Paswell: Tell the Sheriff to request a special meeting to SMB.

00:30:10 James Stewart: ^^^

00:30:18 Claire Woods:How is it suddenly NOT TIME SENSITIVE?

00:30:20 Sue's iPhone:we definitely don't trust you now

00:30:22 Rebecca Fasman: This is such a farce.

00:30:24 lgalore: SWAIN RESIGN

00:30:24 Brittany D Friesner: can we stop

00:30:29 Alan: no new cops

00:30:30 ejoneal@iu.edu: Why push it to today

00:30:39 spencer: DOESN'T MATTER

00:30:49 Samantha Silberstein: That is NOT what this is about.

00:30:49 Claire Woods:You are missing the point.

00:30:50 Brittany D Friesner: stop talking about how this meeting came to  
be

00:30:50 spencer: DOESN'T MATTER

00:30:52 Hannah Roe: More transparency with the public would fix that, ya know

00:30:53 Cathy: Can you address Joseph Smedley's death that was ruled at suicide on Dec 4, 2015? Can you address the relationship between Bloomington and Indy police and the three killing or unarmed people - two black - all on one day within 8 hours?

00:30:54 Christopher Simanton: Then why does our police department have a tank

00:30:56 iPhone: Pablo, consider white privilege. Are they white? Then they're fine. Black? Not unless they WANT to be attacked.

00:31:02 Alex Goodlad: It still shouldn't be a special meeting.

00:31:08 Margaret Bott: scheduled or not, we now know we must defund the police.

00:31:10 Asha Kirchhoff: Where can an ordinary citizen go to find this information on filings/proceedings/meetings and follow along?

00:31:16 Samantha Silberstein: The protests are only part of it. It is an emergency to us because we know that there are issues in our policing system and you are not addressing THAT

00:31:16 ava !!: this is new for you?

00:31:19 lgalore: MOVE ON GEOFF, STOP WASTING OUR TIME

00:31:21 Hannah Rennels: protests are happening to ask you to reconsider funding for the police and sheriff department.

00:31:22 tbrewer: The ONLY REASON sheriff "paused" the request is 210 people in the chat

00:31:24 ejoneal@iu.edu: Not enough transparency or surprise meetings about police

00:31:26 47404: Sheriff's office has a giant "thin blue line" flag hanging prominently on its wall. They think blue lives matter.

00:31:26 Arnold: emergency or not, no more police

00:31:28 Guest: We don't want your context. We want you to drop these hire requests altogether. We want you to defund the police.

00:31:32 Hannah Roe: So do more than what's legally required!

00:31:34 Clarissa Tokash: y is it the common practice to do the bare minimum and only post what's legally required of you to post

00:31:40 Lesamarie: are we allowed to sing ? jus making sure I don't disrupt anyone an get arrested again for it when I didn't have a voice 🗣️🗳️✔️

00:31:40 daisy goldman: NO COPS NO KKK NO FASCIST USA

00:31:54 Emma Gregory: Where can an ordinary citizen go to find this information on filings/proceedings/meetings and follow along?

00:31:54 Rachel: Transparency!

00:32:02 Rebecca Fasman: Missing the entire point. We are your constituents and are telling you that we do not want this. Defund the police, redistribute the funds.

00:32:05 David Mitchell: and what would've happened today if the word didn't get out!?!? no pushing it back. defund the police.

00:32:05 is1@iu.edu: Transparency is important, thank you

00:32:08 Samantha Silberstein: When do members of the community get to speak?

00:32:11 pablo escobar: I think the capital incident (or lack thereof) was because they couldn't handle a bloodbath. I mean...how do you shoot rubber bullet at someone wielding a rifle...

00:32:23 47404: Swain thinks he rules the county. He really does.

00:32:23 ejoneal@iu.edu: Pay attention Sheriff cmon buddy

00:32:24 lgalore: PETE DONT INSULT US

00:32:29 Guest: patronizing

00:32:32 Sue's iPhone:yeah but are you listening??

00:32:34 Ben Planton: <https://8cantwait.org/>

00:32:36 Emma Gelbard:We're all here to say no new cops

00:32:37 Cathy: Why are you only calling council people to speak? Why are you not listening to the people in the streets in Bloomington?

00:32:42 J.Weeks: Timely transparency! I am not democratic! I am an independent.

00:32:42 mallory: yeah no shit

00:32:44 tbrewer: <https://8cantwait.org/>

00:32:44 spencer: ALMOST LIKE BUREAUCRACY IS INTENTIONALLY VAGUE??

00:32:50 ecw3@iu.edu: But what are you going to do to make things better?

00:32:51 lgalore: PLATITUDES

00:32:51 ejoneal@iu.edu: GET OFF YOUR PHONE

00:32:52 Clarissa Tokash: police don't provide public safety, increased social services do. only defunding the police contributes to public safety

00:32:53 Sue's iPhone:not just George's

00:32:54 Cathy: Being a cop is not a real job

00:32:54 lgalore: PLATITUDES

00:32:57 Katie Wrightmire: TONY MCDADE

00:32:57 efspeari@iu.edu: Then don't hire more cops

00:32:58 Andrea McManis: I hope some of the council reads specific comments: especially related to ICE, Funding, and use of force during protests, police protections during murders.

00:32:59 Katherine Blake: I understand what you're saying Geoff – if I heard right, that's only the one hire? What about the other hire?

00:33:00 Samantha Silberstein: What are you doing about it?

00:33:04 Sean: TONY MCDADE

00:33:04 Janae Cummings: “Ope. George Floyd shouldn't have happened BUT we gotta do this. Ope ope!”

00:33:04 spencer: NOPE NOT ENOUGH  
00:33:09 kellybosworth: <https://8cantwait.org/>  
00:33:09 ejoneal@iu.edu: SWAIN OFF YOUR PHONE  
00:33:11 daisy goldman: this has always been a tough time for Black and Brown bodies  
00:33:11 Samantha Silberstein: WHAT ARE YOU DOING WE DO NOT CARE HOW YOU ARE FEELING  
00:33:15 Josh Davis: tell us you're going to defund the police, that would actually be DOING something  
00:33:17 lgalore: Which people Pete. Which people are you in conversation with  
00:33:19 ava !!: breonna taylor's murderers, COPS, still haven't been held accountable. why would we hire more cops??  
00:33:22 Guest: Spineless

00:33:43 Samuel.BarbashRiley@centerstone.org: Follow LA's example, cut police funding and direct it to social services  
00:33:44 Emma Gregory:Where can an ordinary citizen go to find this information on filings/procedings/meetings and follow along?  
00:33:47 lgalore: Trent you absolute clown. Complete dinosaur.  
00:33:50 pablo escobar: Cops are brutally assaulting people during protests AGAINST police brutality

00:34:09 Andrea McManis: Swain isn't listening. Smiles at his name and then looks away again.  
00:34:12 David Mitchell: DON'T THANK THEM.  
00:34:13 Richard: The only way to support democracy is to defund the police and invest in the community.

00:34:15 J.Weeks: What I want everyone to understand that it is not always about politics! What is right is right and what is wrong is wrong! I think we should do better at no generalizing.
