Hi David,

A citizen sent a note through a Councilmember through our legal staff to me asking about removal of a Veo scooter located on the **1400 block of S. Washington St.** here in Bloomington.

Can you have someone take care of this today if you haven't done so already? And could you confirm completion so I can close the loop with our folks?

Following is an excerpt from the original email (sent Friday, Oct 8):

"...Is there a policy on how long scooters can be left on the sidewalk? There is one (Veo) in front of our house that has been there all week. No one used one of these scooters to come to our house, and we would prefer that it not be a permanent sidewalk feature. I called Veo yesterday, and they said they would send someone out to pick it up, but it is still here..."

Thanks for your prompt attention to this matter.

Alex

Thanks, David. I figured you had handled it already but wanted to be sure. I'll let our folks know.
