**VI. NEW BUSINESS**

A. Resolution 22-65: Approval of Match Funding for Resurfacing of Winslow. Adam Wason explained the project. City staff answered questions from the commission. Wason said this is a preliminary action of the RDC and staff has not received notification that the grant has been awarded. He said if the grant is awarded, staff will bring contracts back to the RDC.

Cindy Kinnarney asked for public comment. Dave Askins said he thought the RDC had already went through the preliminary action by creating the project. Askins also asked how it is legally possible to use TIF funds for this project.

Wason said there seems to have been some miscommunication between staff regarding the resolution. Wason thought he was here to answer questions from the previous meeting and would be coming back with a contract.

Larry Allen stated the project review form has already been approved and a vote on this resolution is not needed.

Larry Allen addressed Mr. Askins second question. Allen said TIF funds can be used for public improvements, and this project is more than maintenance. The complete resurfacing of the road and integrating it with the improvements is considered a public improvement.

- B. Resolution 22-67: Approval of Funding for Construction Administration of Griffy Dam Crossing Project. Tim Street reminded the commission they approved the project review and approval form at a previous meeting. City staff have negotiated an agreement with Mader Design to provide the services for an amount not to exceed \$12,500 for construction administration services for bid preparation, engineering oversight, and construction inspection.

If the City terminates the contract, the Subrecipient or subcontractor is liable to the City for actual damages. Subrecipient shall require any subcontractors performing work under this contract to certify to the Subrecipient that, at the time of certification, the subcontractor does not knowingly employ or contract with an unauthorized alien and the subcontractor has enrolled in and is participating in the E-Verify program. Subrecipient shall maintain on file all subcontractors' certifications throughout the term of the contract with the City.

If the Subrecipient or subcontractor verified the work eligibility status of the employee in question through the E-Verify program, there is a rebuttable presumption that the Subrecipient or subcontractor did not knowingly employ an unauthorized alien. If the Subrecipient or subcontractor fails to remedy the violation within the 30 day period, the City shall terminate the contract, unless the City board of department that entered into the contract determines that terminating the contract would be detrimental to the public interest or public property, in which case the City may allow the contract to remain in effect until the City procures a new Subrecipient. If the City terminates the contract, the Subrecipient or subcontractor is liable to the City for actual damages. Subrecipient shall require any subcontractors performing work under this

contract to certify to the Subrecipient that, at the time of certification, the subcontractor does not knowingly employ or contract with an unauthorized alien and the subcontractor has enrolled in and is participating in the E-Verify program. The Subrecipient will not discriminate against any employee or applicant for employment because of race, color, creed, religion, ancestry, national origin, sex, disability or other handicap, age, sexual orientation, gender identity, marital/familial status, or status with regard to public assistance. The Subrecipient will take affirmative action to insure that all employment practices are free from such discrimination. Such employment practices include but are not limited to the following: hiring, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff, termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship. The Subrecipient agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting agency setting forth the provisions of this nondiscrimination clause.
3. Section 504. The Subrecipient agrees to comply with any Federal regulations issued pursuant to compliance with Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 706), which prohibits discrimination against the handicapped in any Federally assisted program. The Grantee shall provide the Subrecipient

with any guidelines necessary for compliance with that portion of the regulations in force during the term of this contract.

**B. Equal Employment and Affirmative Action**

1. Approved Plan. The Subrecipient agrees that it shall be committed to carry out pursuant to the Grantee's specifications an Affirmative Action Program in keeping with the principles as provided in President's Executive Order 11246 of September 24, 1965. The Grantee shall provide Affirmative Action guidelines to the Subrecipient to assist in the formulation of such program. The Subrecipient shall submit a plan for an Affirmative Action Program for approval prior to the award of funds.

Subrecipient and any subcontractors may not knowingly employ or contract with an unauthorized alien, or retain an employee or contract with a person that the Subrecipient or subcontractor subsequently learns is an unauthorized alien. If the City obtains information that the Subrecipient or subcontractor employs or retains an employee who is an unauthorized alien, the City shall notify the Subrecipient or subcontractor of the contract violation and require that the violation be remedied within 30 days of the date of notice. If the Subrecipient or subcontractor verified the work eligibility status of the employee in question through the E-Verify program, there is a rebuttable presumption that the Subrecipient or subcontractor did not knowingly employ an unauthorized alien. If the Subrecipient or subcontractor fails to remedy the violation within the 30 day period, the City shall terminate the contract, unless the City board of department that entered into the contract determines that terminating the contract would be detrimental to the public interest or public property, in which case the City may allow the contract to remain in effect until the City

procures a new Subrecipient. If the City terminates the contract, the Subrecipient or subcontractor is liable to the City for actual damages. Subrecipient shall require any subcontractors performing work under this contract to certify to the Subrecipient that, at the time of certification, the subcontractor does not knowingly employ or contract with an unauthorized alien and the subcontractor has enrolled in and is participating in the E-Verify program. Subrecipient shall maintain on file all subcontractors' certifications throughout the term of the contract with the City.

## Board of Public Works Staff Report

**Project/Event:** Approval of Preliminary Engineering Contract with Shrewsberry Associates LLC

**Petitioner/Representative:** Engineering Department

**Staff Representative:** Patricia Dierkes, Project Engineer

**Date:** 11/7/2022

**Report:** This project is the first step for the City of Bloomington towards the redevelopment of the Health Bloomington Hospital site. The project limits of the Phase 1 East project are bounded 2nd Street to the north, 1st Street to the south, the Line Rail to the east, and Rogers Street to the west. Project activities include site demolition, utility coordination, transportation and public facilities, and property platting as outlined in the City's HOV Master Plan. Shrewsberry was selected to design this project from a competitive bid process in which their response received the highest score out of six responses.

As the project developed through design additional services were needed for retaining wall design, security, surveillance, irrigation and lighting. The project was also required to go through a significant redesign as a result of negotiations with City Council regarding the required allocations for the project. The addition of alleys and change in the lot configuration required a near complete design of the sanitary sewer, water distribution and storm sewer systems.

The original contract was for an amount not to exceed of One Million, Eight Hundred Eighty Dollars (\$1,088,000). After adjusting for unused allowances the proposed addendum will increase the contract to thirty-one thousand, three hundred thirty-three resulting in a new not to exceed amount of One Million, Eight Hundred Eighteen Dollars (\$1,088,333).

**Project Name:** Purchase and Redevelopment of IU Health Bloomington Hospital Site at 2<sup>nd</sup> and Rogers (“Legacy Hospital Site” and “Hopewell”)

**Project Managers:** Don Griffin; Jeff Underwood; Andrew Cibor; Deb Kunce (JS Held)

**Project Description:** Project will involve purchase of the Hospital Site at 2<sup>nd</sup> and Rogers from IU Health at such point as IU Health has vacated, razed some or all buildings on the site, and cleaned the site to a development-ready condition, in accordance with a definitive purchase agreement to be executed between the City and IU Health. The site is located in the Consolidated TIF and the City will be seeking funding for the real property purchase and for activities that will support future redevelopment of the site. If it were not for this project, it is very likely the site would be abandoned and underutilized or not utilized at all for years, as has happened across the country with similar hospital relocations and closings. This project will allow the city to prepare the site for and encourage redevelopment and best use of a prime location in the heart of downtown, and adjacent to the new Switchyard Park.

It is the Legal Department’s position that this project is a permissible use of Tax Increment under Indiana Code § 36-7-14-39(b)(3).

City of Bloomington  
Redevelopment Commission  
**Amended** Project Review & Approval Form

**Please Note:**

- Approval of the project by the Redevelopment Commission through this Project Review & Approval Form does not represent an authorization to begin work or expend funds.
- Authorization of work and the commitment of funds shall be done when the Redevelopment Commission reviews and approves: (1) a Purchase Order or Contract prepared after complying with the appropriate procurement process for the type of item, service or construction being sought and (2) the estimated costs associated with the Purchase Order or Contract.
- No payment of funds shall be made without a duly authorized and approved Purchase Order or Contract. All claims for payment against a duly authorized Purchase Order or Contract shall be submitted to the Redevelopment Commission for their review and approval along with any required departmental inspections, reviews and approvals prior to the payment of any funds.

**Project Name:** Purchase and Redevelopment of IU Health Bloomington Hospital Site at 2<sup>nd</sup> and Rogers (“Legacy Hospital Site” and “Hopewell”)

**Project Managers:** Don Griffin; Jeff Underwood; Andrew Cibor; Deb Kunce (JS Held)

**Project Description:** Project will involve purchase of the Hospital Site at 2<sup>nd</sup> and Rogers from IU Health at such point as IU Health has vacated, razed some or all buildings on the site, and cleaned the site to a development-ready condition, in accordance with a definitive purchase agreement to be executed between the City and IU Health. The site is located in the Consolidated TIF and the City will be seeking funding for the real property purchase and for activities that will support future redevelopment of the site. If it were not for this project, it is very likely the site would be abandoned and underutilized or not utilized at all for years, as has happened across the country with similar hospital relocations and closings. This project will allow the city to prepare the site for and encourage redevelopment and best use of a prime location in the heart of downtown, and adjacent to the new Switchyard Park.

It is the Legal Department’s position that this project is a permissible use of Tax Increment under Indiana Code § 36-7-14-39(b)(3).

**Project Timeline:**

Start Date: January 2018

End Date: December 31, 2023

**Financial Information:**
