

Email sent from Paul Farmer to MCEA members after the Oct. 24, 2023 MCCSC board meeting

MCEA Members.

At last night MCCSC school board meeting a motion was passed that violates our agreed upon discussion agreement.

I informed the board of this violation before they voted and it was not amended and passed as presented. Regardless of the board's intent to help or hinder any cause or the associations position on that cause, the association is required to hold the school board and administration to the agreed upon discussion document as they are us.

I have called an emergency MCEA board of directors meeting for the evening of Thursday October 26 to discuss MCEA's next steps.

As I stated to the MCCSC board of school trustees, I will never acquiesce our discussion rights.

I will keep the membership posted on our boards recommended next steps.

Thank you.

Paul
