

**CITY OF BLOOMINGTON
LEGAL DEPARTMENT
MEMORANDUM**

TO: City of Bloomington Common Council Members
FROM: Christopher J. Wheeler, Assistant City Attorney
RE: Proposed Ordinance 2024-09
DATE: April 22, 2024

Ordinance 2024-09 proposes to amend Title 10 of the Bloomington Municipal Code to remove all sections of the title relating to the stormwater utility, its regulations and enforcement provisions. These amendments remove all stormwater related ordinance language from Title 10 in response to the adoption of Title 13 of the Bloomington Municipal Code, entitled “Stormwater”. These amendments are necessary to avoid duplication and the potential for conflict between Title 10 and the newly adopted Title 13. Title 13 incorporates all sections of Title 10 stormwater language and introduces new stormwater permitting, bonding and regulation in compliance with State requirements set forth in two general permits issued by the Indiana Department of Environmental Management in 2021 which applies statewide to all Municipal Separate Stormwater Sewer Systems, of which the City of Bloomington by and through its Utilities Department is one.
