## Introduction:

### INTRODUCTORY STATEMENT FROM MAYOR JOHN HAMILTON

Annexation is how a city expands its boundaries to accommodate a growing community and to deliver high quality services and infrastructure in urbanized areas. Annexation incorporates property that is currently located outside but next to the City's boundaries into the City proper. Bloomington has continuously expanded our boundaries since 1818, when we began with six square blocks, to our 23 square miles today. But since annexation essentially paused in 2004, population and development have surged outside of the city limits, indicating the need to consider how to "right size" the city again, to accommodate the true extent of the community. Our predecessors in city and county governments have long considered much of the currently proposed areas to be annexed as likely future city land, evident in Monroe County's designation of "Bloomington Urbanizing Areas" in its 2012 Comprehensive Plan, as well as the "Areas Intended for Annexation" and "Two-Mile Fringe" maps also employed in recent years.

This Fiscal Plan outlines how an annexation would work -- its impact on individuals and institutions, both financially and in terms of services. The attached Plan details services the City will provide to annexation areas, including costs, financing methods, timing and extent. The Plan also details impacts to the City, annexation area residents, and other taxing entities in the County, like county government, the school system, the library and more. The City plans for the annexation(s) to be effective as of January 1, 2024, which means the fiscal impacts - such as impacts on property tax bills - will not occur until 2025 at the earliest.

There are now seven separate areas proposed for annexation. The Fiscal Plan analyzes each area separately, and combined, to show the provision of services, costs, and revenues. Additionally, the City has added a parcel-by-parcel analysis to show individual impacts in the potential annexation areas. This Plan commits to providing non-capital services such as police protection and fire protection (where allowed by law) within one year, and capital services, such as street construction, lighting, and sewer/stormwater facilities, within three years, to annexation areas, separately and combined. All services will be provided to annexed residents in a manner equivalent to the way services are provided to areas already in the city.

The Plan highlights several important points:

- The City will invest significantly in the areas proposed for annexation, including plans for new parks, upgraded playing fields, trail connections, and enhanced services such as road improvements to facilitate sanitation services, curbside recycling, and safety inspections for rental housing.
- Annexation area residents would first see the financial impact on property tax bills in four years at the earliest, payable in 2025. These areas would begin to receive

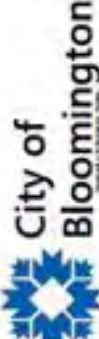

services in 2024, however, before new revenue is realized. Projected property tax impacts net of offsets shows a median annual increase of \$471, average of \$434, across residential parcels in all annexation areas. Taxes for those homeowners over 65 with modest incomes are projected to go down with a median of \$82, average of \$77, in annual savings.

- Other county taxing units -- including the local school corporation and the public library -- may see revenue impacts, mostly due to the State-imposed circuit breaker or "tax caps." Impacts on the schools and the library should be offset by projected growth in levies and assessed value in Monroe County over the next four years, meaning by the time annexation takes effect, revenue growth should exceed projected losses. Impacts on the county, both from tax caps and allocations of local income taxes, should be mitigated by income, levy and assessed value growth, but just as importantly, the City will assume numerous services in the annexation areas, reducing the County's operating costs. For example, the Plan projects the county will realize a higher revenue-per-street-mile after annexation. In all events, the City intends to work with our partners in the county to manage any such impacts.
- Under a State law passed in 2019, the City may not provide fire services to newly annexed areas that are part of an existing fire district. Instead, annexed parcels in townships, which have joined the Monroe Fire Protection District (MFPD), would continue to receive those services. Their City property tax rate would be reduced by the amount the City charges for fire services, which is 0.125% (or \$0.125 per \$100 of assessed value). Instead that will be replaced with the MFPD tax rate which is currently 0.389% (or \$0.389 per \$100 of assessed value). That net increase in taxes does cause significant tax cap costs for all jurisdictions. If the City were ever required or asked to provide services in those areas, it would be prepared to do so at a tax rate of approximately 0.125%.
- After annexation, tax rates for residents in our community would continue to be among the lowest in Indiana. Of the 21 largest cities in Indiana, Bloomington has the second-lowest combined tax rate, which is not expected to change after annexation.

This Fiscal Plan has been updated from 2017, when the City's annexation was halted by a State law, which was ruled unconstitutional, and has been further refined as the City has undertaken the public discussion of evaluating the annexation areas and the provision of services. By distributing this most recently revised and updated Plan, the City reaffirms its commitment to provide City services to these areas in a manner that serves the best interest of the Bloomington community. The narrative below summarizes the services and impacts, starting with a map that shows the proposed Annexation Areas.

The Monroe County Comprehensive Plan, adopted February 4, 2012, delineates an area known as the Bloomington Urbanizing Area. The proposed annexation areas of the City of Bloomington are well within the boundaries of the Bloomington Urbanizing Area. The following two maps show this area and its relationship to the annexation areas.

September 3, 2021

The following map shows the City of Bloomington's municipal boundaries, broken down by decade, from 1970 to 2010. The map reveals that in 1990 the City contained 85% of the urbanized area population in Monroe County and in 2014 that number dropped to 73%. The proposed annexations would bring the the City of Bloomington to 88% of the Monroe County urbanized area population.

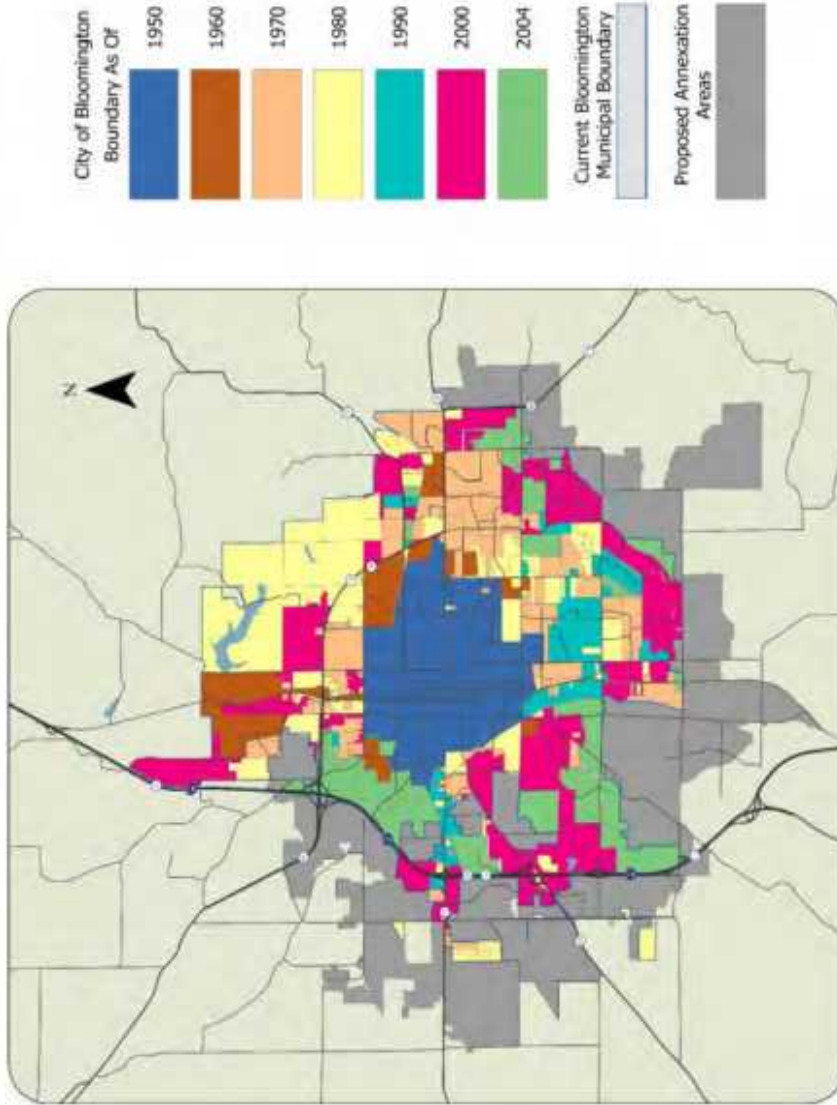

# Bloomington Incorporated Area 1950 to Today

| Year | Census Population |
|------|-------------------|
| 1950 | 28,163            |
| 1960 | 31,357            |
| 1970 | 43,262            |
| 1980 | 52,663            |
| 1990 | 60,663            |
| 2000 | 69,291            |
| 2010 | 80,405            |
| 2019 | 86,630            |

Source: STATS Indiana

The City of Bloomington has made significant investment in the annexation areas allowing the current development and enabling future development. The City has targeted the annexation areas as areas to service and develop further in the future. The following is a chart showing miles of pipes installed in each of the annexation areas:

| Area          | Sewer<br>(miles) | Water<br>(miles) | Totals        |
|---------------|------------------|------------------|---------------|
| 1A            | 26.90            | 34.20            | 61.10         |
| 1B            | 25.90            | 24.90            | 50.80         |
| 1C            | 1.20             | 1.10             | 2.30          |
| 2             | 18.90            | 19.50            | 38.40         |
| 3             | 0.40             | 1.30             | 1.70          |
| 4             | 0.60             | 1.40             | 2.00          |

## Sewer Waivers

The City of Bloomington has identified over 3,200 parcels subject to sewer waivers of remonstrance in the proposed annexation areas. Sewer waivers are typically signed by a property owner or developer at the time sewer service is permitted to a property by the City. The waivers require that the property owner (and future owners of the property) agree not to remonstrate against (i.e., not oppose) annexation of the property once it is pursued by the City. That is, the City allowed the development of these areas to occur with the understanding and agreement of the developer or property owner that the City would annex at some point in the future. There are portions of areas where the City provides sewer service but does not have sewer waivers for all the connected properties. Thus, even though the City may not have waivers for all parcels, the areas were still developed as a direct result of the City's services. The following maps show the location of the currently identified waivers in the proposed annexation areas.

## Current and Recent Projects in the Annexation Areas Receiving CBU Service:

### Annexation Area 1A:

1. Stonelake Park Development
  - a. Location: Stonelake Dr / behind hotel next to Arlington Elementary School
  - b. Status: Development is nearly completed.
  - c. Project: Residential Development
2. Bloomington Self Storage
  - a. Location: NW corner of Curry Pike & Bloomfield Rd (SR 45 W)
  - b. Status: Under Construction – 2021
  - c. Project: Commercial Storage Facility
3. Baxter Bldg C Warehouse
  - a. Location: 927 S Curry Pike
  - b. Status: Construction Completed – 2020
  - c. Project: Commercial/Industrial Warehouse Facility
4. IU Health EMS Headquarters @ North Park
  - a. Location: SW of the intersection at Curry Pike & Lintel Dr (Tract B3, Lot 2)
  - b. Status: Project Approval – April 2021
  - c. Project: Commercial Office/Headquarter Facility
5. Hartstrait Rd Extension
  - a. Location: Road extension that connects Hartstrait Rd to Knapp Rd, Wellness Way, and Daniels Way (Ivy Tech Campus)
  - b. Status: Construction Completed – 2020
  - c. Project: County Road Extension w/ Water & Sewer Infrastructure
6. Profile Parkway Rd Extension
  - a. Location: Profile Pkwy to extend east from Curry Pk to Gates Dr and south to Jonathan Dr
  - b. Status: Construction nearly completed (ETA: June 2021)
  - c. Project: County Road Extension w/ Water & Sewer Infrastructure
7. Vernal Pike Connector
  - a. Location: Sunrise Greetings Ct extension south to meet up with Profile Pkwy.
  - b. Status: Under Construction – 2021
  - c. Project: INDOT (traffic)
8. Karst Farm Greenway, Ph 2
  - a. Location: Liberty Dr, Constitution Way, Curry Pike, Sierra Dr, to existing trailhead off of Gifford Rd
  - b. Status: Under project review – 2021
  - c. Project: County Trail
9. Autovest II on Liberty

- a. Location: 701 S Liberty Dr
  - b. Status: Under project review – 2020
  - c. Project: Commercial Retail
10. Sherwin Williams Co
- a. Location: 410 N Gates Dr
  - b. Status: Construction Completed – 2020
  - c. Project: Commercial Retail

### **Annexation Area 1B:**

1. Baywood @ Clear Creek Estates, Ph 4
  - a. Location: Baywood Dr, Lots 25-41
  - b. Status: Development is nearly completed.
  - c. Project: Residential
2. Fullerton Pike Corridor, Ph 3 (Clearview Dr to Rockport Rd)
  - a. Location: Gordon Pike between Clearview Dr & Rockport Rd
  - b. Status: Under 2020/2021 Review
  - c. Project: INDOT (traffic)
3. Monroe County Public Library – SW Branch
  - a. Location: 900-block of W Gordon Pike
  - b. Status: Under project review – 2021
  - c. Project: Commercial
4. Highlands Parcel E (aka: The Wick / Link's Edge)
  - a. Location: 3000-block of S Rockport Rd, connects to Wickens St
  - b. Status: Under construction – 2021
  - c. Project: Multi-Family Residential Development
5. Hayden Flats @ Haley Farms
  - a. Location: 3009, 3051, 3205 S Rogers St
  - b. Status: Under project review – 2021
  - c. Project: Multi-Family Residential Development

### **Annexation Area 2:**

1. Fullerton Pike Corridor, Ph 2 (Walnut St to Rogers St)
  - a. Location: Gordon Pike between Rogers St & Walnut St (Old SR 37 S)
  - b. Status: Construction Complete
  - c. Project: INDOT (traffic)
2. Holland Fields Subdivision
  - a. Location: 4300 block of S Walnut St Pike & Holland Dr (btwn Holland & Crestline)

- b. Status: Ph 1 & 2 (Infrastructure installed; lots are being built); Ph 3 under construction
  - c. Project: Residential development
- 3. The Lakes PUD
  - a. Location: SE corner of Sare Rd & Rogers Rd (across from Sherwood Oaks Church)
  - b. Status: Ph 1 is complete. Additional phases are planned for future development
  - c. Project: Mixed – Use Development (Commercial, Residential, Multifamily Residential)
- 4. Canada Farms, Parcel E/F, Lot 3 (aka: Creek’s Edge, Lot 3 for Rubicon)
  - a. Location: 2755 E Canada Dr
  - b. Status: Construction Completed
  - c. Project: Commercial Office Building
- 5. Evergreen Village
  - a. Location: 3607 Heirloom Dr
  - b. Status: Construction Completed
  - c. Project: Commercial / Multi-family Residential (Assisted Living Facility)
- 6. Sentinel Building
  - a. Location: SE corner of Sare Rd & Canada Dr (Canada Farm, Parcel H)
  - b. Status: Construction Completed
  - c. Project: Multi-family Residential
- 7. German American Bank
  - a. Location: 3930 S Walnut St / Old SR 37 S
  - b. Status: Construction Completed
  - c. Project: Commercial
- 8. Owen County State Bank
  - a. Location: 4020 S Old SR 37
  - b. Status: Project Approved – 2020
  - c. Project: Commercial
- 9. Cedar Springs PUD
  - a. Location: Falls Creek Drive off-of SR 446
  - b. Status: Development is nearly completed
  - c. Project: Single-family Residential Development
- 10. Jackson Creek Trail, Ph 2
  - a. Location(s): High St from Arden Dr to Winslow Roundabout, Elliston Dr to Rhorer Rd, and Rhorer Rd to Sare Rd
  - b. Status: Under Construction – 2021
  - c. Project: Trail
- 11. Derby Pines Subdivision

- a. Location: 4214 S Derby Dr
  - b. Status: Under project review – 2021
  - c. Project: Single-family Residential Development
12. Blind Squirrel Development (aka: Clear Creek Urban/ connects to the Southern Meadows Dev)
- a. Location: 4831 & 4833 S Rogers St
  - b. Status: Under project review – 2021
  - c. Project: Infrastructure & roadway (may change to include Mixed Use Dev: Commercial, Multi-Family Residential)
13. Southern Meadows Development
- a. Location: E of 4831 S Rogers St
  - b. Status: Under project review – 2021
  - c. Project: Residential Neighborhood (may change to Multi-Family Units)

**Annexation Area 3:**

1. Evergreen & Kimble Dr – MFR
  - a. Location: 2540 & 2546 W Evergreen Dr / NW corner of Evergreen & Kimble Dr
  - b. Status: Construction Completed – 2019
  - c. Project: Multi-Family Residential Development

**Annexation Area 4:**

1. 3<sup>rd</sup> & Cory – Rimrock Storage Development
  - a. Location: SE corner of 3<sup>rd</sup> St & Cory Ln (1918 W 3<sup>rd</sup>, 307 S Cory Ln)
  - b. Status: Construction Completed – 2020
  - c. Project: Commercial Office & Storage Facility

## Planning and Transportation

The I-69 Expansion represents a critical stimulus to future economic development for Bloomington. I-69 is known as the North American Highway, ultimately connecting Canada, the US and Mexico. The expansion of this primary national artery will capture increasingly more commercial traffic through Indiana as it connects Evansville to Indianapolis, with a projected corresponding increase in economic development opportunities along the expansion corridor.

The City of Bloomington and large portions of the annexation areas have already experienced significant development over the past seventeen years and I-69 will only compound and speed up this process. The City of Bloomington is the largest urbanized area between Evansville and Indianapolis and is best suited to manage development and growth to provide a diversification of property uses at the proposed interchanges of I-69.

Bloomington has approximately 8.5 miles of the I-69 expansion located inside its corporate boundaries, including five (5) interchanges and four (4) over-passes. As part of the conversion of SR 37 to I-69, the existing, partially controlled, limited access facility was upgraded to having fully controlled access and includes the addition of travel lanes in the north and southbound lanes.

Interchanges (listed south to north):

1. West Fullerton Pike
2. West Tapp Road
3. SR 45/West Bloomfield Road
4. SR 48/West 3<sup>rd</sup> Street
5. SR 46/SR 45 and SR 46 By-Pass

Overpasses (listed south to north):

1. South Rockport Road
2. West 17<sup>th</sup> Street/ West Vernal Pike
3. West Arlington Road
4. Northern Kinser Pike

The proposed annexations are collectively intended to enable the City of Bloomington to promote and stimulate controlled economic development along the I-69 expansion, including planning for street infrastructure improvements, for the existing utility expansion to current developments, and for the continued extension of municipal utilities to undeveloped areas.

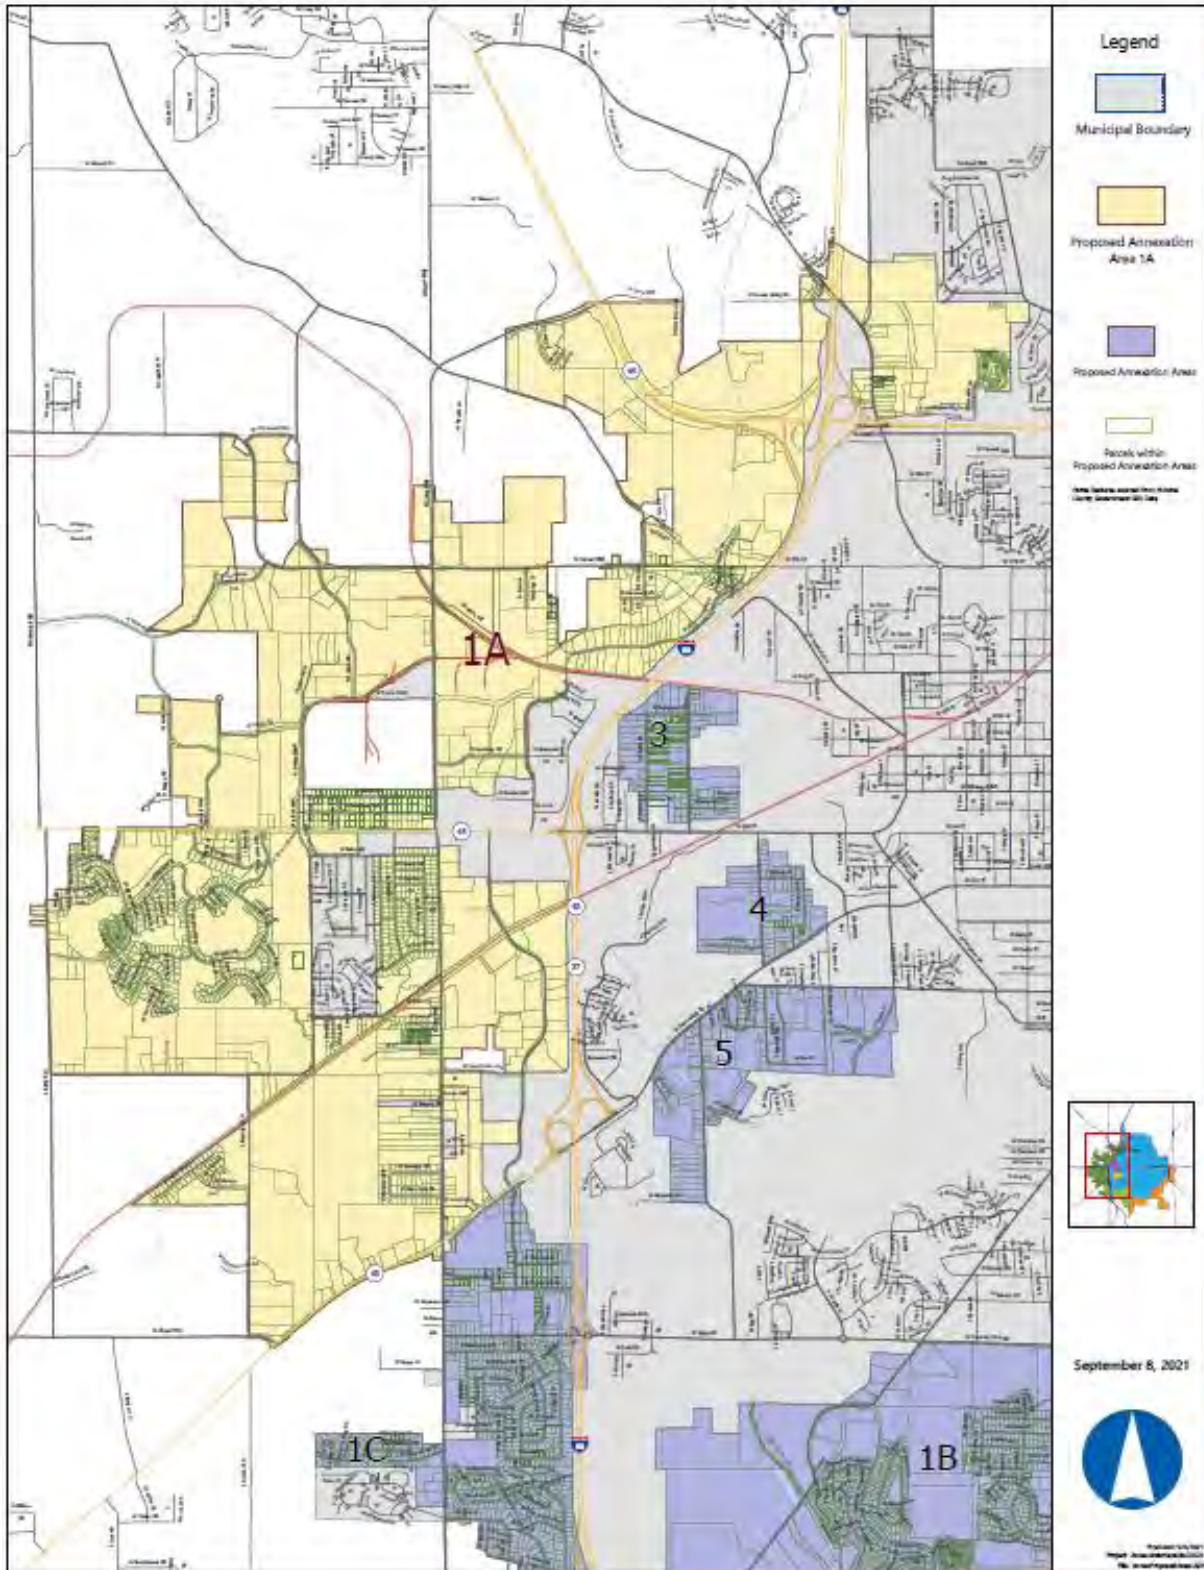

**Location:**

1. Area 1A (Name – South-West (A) Bloomington Annexation Area) – Includes approximately 3.3 miles of the new I-69. Includes areas along the north-western and western borders of the City of Bloomington.

Township(s): Bloomington, Richland, and Van Buren

**Proposed Annexation Areas**  
**Area 1A - South-West Bloomington (A)**

## Basic Data of the Annexation Areas:

### Property tax rate information:

Per the Department of Local Government Finance's pay 2021 budget order for Monroe County, the following are taxing district property taxes, and pro forma property tax rates for the proposed annexation areas:

| Township             | Proposed Annexation Areas | Pay 2021 Unincorporated Taxing District Property Tax Rate | Pay 2021 Incorporated Taxing District Property Tax Rate | Pro Forma Post Annexation Tax Rates (Default Assumption: City Provides Fire Services to Richland & Salt Creek Only) | Pro Forma Post Annexation Tax Rates (Hypothetical Scenario: City Provides Fire to all Annexed Parcels) |
|----------------------|---------------------------|---|---|---|--|
|                      |                           |   |   | 2.2811  | 2.0171   |
| Bloomington Township | 1A,2,3                    | 1.5403  | 2.0635  | 2.2811  | 2.0171   |
| Perry Township       | 1B,2,4,5                  | 1.5437  | 2.0669  | 2.2845  | 2.0205   |
| Richland Township    | 1A                        | 1.7781  | 2.5450  | 2.4986  | 2.4986   |
| Van Buren Township   | 1A,1B,1C                  | 1.579   | 2.1022  | 2.3198  | 2.0558   |
| Salt Creek Township  | 2                         | 1.2763  | Not Applicable  | 2.0108  | 2.0108   |

NOTE: When Bloomington initiated consideration of the annexation areas in 2017, the City by law would have become the provider of fire protection for any areas that the City ultimately annexed. However, in 2019, while Bloomington's annexations were on hold because of a law enacted by the Indiana legislature that has since been held unconstitutional, the Indiana legislature passed an additional law directing that areas served by the Monroe Fire Protection District ("MFPD") will instead continue to receive fire protection from MFPD and not Bloomington, and also directing that those areas must pay the MFPD fire rate rather than Bloomington's lower fire service rate. As a result, the City understands that all parcels in Bloomington, Perry, and Van Buren Townships will continue to pay the MFPD property tax rate and receive MFPD fire services. Nevertheless, as it was prepared to do in 2017, the City can and would provide fire protection service to all annexed areas if there were ever a change in the law or circumstances that allowed or required the City to provide that service. The table above therefore shows Pro forma Tax Rates under these different alternatives. The City's property tax rate for fire protection would be approximately \$0.1250. MFPD's 2021 fire protection rate is \$0.3890, a difference of \$0.2640.

Per State law, debts incurred by the City continue to be paid by the current City residents only. Likewise, debts incurred by the Townships will continue to be paid exclusively by the current Townships' residents residing outside of the City.

Over-lapping taxing units: The following pages show pro forma post-annexation property tax rates for all taxing units located in the taxing districts listed above.

| Taxing Unit  | Pro Forma Post-Annex Property Tax Rate Projections (City provides fire to Richland & Salt Creek, MFPD provides fire to all other townships) |        |
|--|---|--------|
| Monroe County                                      | \$  | 0.3986 |
| Bloomington Township                               | \$  | 0.0188 |
| Perry Township                                     | \$  | 0.0222 |
| Richland Township                                  | \$  | 0.0291 |
| Salt Creek Township                                | \$  | 0.0125 |
| Van Buren Township                                 | \$  | 0.0575 |
| Bloomington City                                   | \$0.7049 (Non-fire) & \$0.8299 (Fire)   |        |
| Bloomington Transportation                         | \$  | 0.0359 |
| Monroe County Community School Corporation         | \$  | 0.6142 |
| Richland-Bean Blossom Community School Corporation | \$  | 1.0854 |
| Monroe County Public Library                       | \$  | 0.0920 |
| Monroe County Solid Waste Management               | \$  | 0.0277 |
| Monroe County Fire Protection District             | \$  | 0.3890 |

**Population:**

The general population estimates for each proposed annexation area are as follows (population data is based on percentage size of block group, and may be refined further as needed):

|                     | Areas |       |    |       |     |     |     | Total  |
|---------------------|-------|-------|----|-------|-----|-----|-----|--------|
|                     | 1A    | 1B    | 1C | 2     | 3   | 4   | 5   |        |
| Population Estimate | 3,987 | 4,566 | 79 | 3,653 | 366 | 420 | 956 | 14,027 |

**Road Miles**

The approximate road miles for each proposed area are as follows (not including state-maintained roads):

| County        | Areas |       |      |       |      |      |      | Totals |
|---------------|-------|-------|------|-------|------|------|------|--------|
|               | 1A    | 1B    | 1C   | 2     | 3    | 4    | 5    |        |
| Monroe County | 33.01 | 24.75 | 0.68 | 23.96 | 1.11 | 1.07 | 1.80 | 86.38  |

### Impoundment Funds:

Each of the Ordinances for the Annexation Areas establishes an impoundment fund for purposes of setting aside municipal property taxes imposed in the respective areas for the first three (3) years following annexation that are not used to meet the basic non-capital and capital services for that area as outlined in this fiscal plan. That is, net property taxes in the Impoundment Funds will be invested directly into the Annexation Areas. An Advisory Board will also be established for each Annexation Area, with a majority of the Board comprised of property owners and residents in the Annexation Areas as well as representatives from County and Township government, to provide input and help oversee the use of the Impoundment Funds. Following the annexations, the City will establish an application process for property owners and residents in the Annexation Areas to submit public project requests that may be funded from the Impoundment Funds. Please reference the following table for an estimate of the revenue that may be collected in each Area's Impoundment Fund:

| Area: | Combined | 1A  | 1B  | 1C  | 2   | 3   | 4   | 5   |
|-------|----------|-----|-----|-----|-----|-----|-----|-----|
| Page: | 80       | 189 | 217 | 245 | 273 | 301 | 329 | 357 |

### Municipal Services:

#### Non-Capital Services:

City services of a noncapital nature, including police protection, street and road maintenance, and other noncapital services normally provided within the corporate boundaries, will be provided to the annexed territory within one (1) year after the effective date of the annexation. These services will be provided in a manner equivalent in standard and scope to services provided to areas already within the corporate boundaries regardless of similar topography, patterns of land use, and population density.

#### Capital Services:

City services of a capital improvement nature, including street construction, street lighting, sewer facilities, water facilities, and storm water drainage facilities, will be provided to the annexed territory within three (3) years after the effective date of the annexation in the same manner as those services are provided to areas already within the corporate boundaries regardless of similar topography, patterns of land use, and population density, and in a manner consistent with federal, state, and local laws, procedures, and planning criteria.

### Cost Estimates to Provide Services to the Annexation Areas for each Department:

We worked with City Department heads to determine that the following are reasonably anticipated costs for the City to serve the annexation areas in a manner consistent with services currently provided within the City of Bloomington within one (1) year for non-capital services and three (3) years for capital services of the effective dates of the annexation ordinances. In some cases, Departments can meet this standard by phasing in the costs over a period of years. Just as the City's staffing levels and services can and do fluctuate regardless of annexation, the allocation of resources community-wide can also evolve and develop post-annexation. The City will therefore continually evaluate the needs and priorities of the community regarding the implementation of municipal services City-wide, including to those areas ultimately annexed within the City.

The City anticipates issuing a bond (or series of bonds) for capital costs, payable from the revenue stream from the annexations. The City anticipates issuing the bond(s) within the first three years the annexations become effective and paying back the bond(s) with yearly cash-flow to match asset service life. All capital costs, as follows, may be included in the bond issue(s). In this way, the City will have fund flexibility with capital expenditures, as outlined in the department cost projections once the annexations become effective. Although the City has one year to begin implementing non-capital services, and three years for capital services, the City expects to provide many services immediately upon the effectiveness of the annexations. In 2017, there was some misunderstanding regarding the impact of the bond on estimated property taxes. The bond will not create a new tax rate beyond those contemplated within the Fiscal Plan. Instead, bond payments are incorporated into the estimated net revenue calculations.

### Departments:

While the City is proposing several separate annexations, the annexations and the City's provision of services are not occurring in separate vacuums. The City has therefore approached its fiscal planning first as a comprehensive study of the extension of noncapital and capital services to all areas, and corresponding costs and impacts. The City has then separately identified the different annexation areas and attendant estimated costs and revenues per area. This section (pages 35-69) discusses the various services provided by the City by department, the overall estimated additions and increases for each department for servicing all annexation areas, and the timing for providing those services. The detailed breakdown of the overall estimated range of noncapital and capital costs described in the sections for each department are then compiled in spreadsheet form for all departments on pages 73-90. Finally, the detailed breakdown of the estimated range of noncapital and capital costs (by department) for each separate annexation area is set forth, by area, on pages 195 through 382. That is, this fiscal plan is a comprehensive

plan for the entire annexation study area, but also includes separate fiscal planning for each individual annexation area that can be viewed independently.

In some cases the service costs are estimated and allocated based on new anticipated employees and equipment, or fractions of the costs of new employees and equipment, depending on the areas annexed. As with the City’s current provision of services, where departments have additional staffing or capital needs that do not warrant a new full-time employee, equipment, etc., the City has the flexibility to address these needs through the reallocation of resources, part-time hires, overtime, renting equipment and space, etc. The City also is anticipated to grow its services organically, regardless of annexation. The City may therefore absorb costs and needs, including for example the fractional cost a new full time employee (or computer) where a new full time employee would not otherwise be needed as a result of an annexation alone, within its budget and resource allocation. Regardless, the City can and will extend capital and non-capital services to any area annexed in the same scope and manner that they are made available with the remainder of the City. Bloomington will be one community in boundaries and services.

**Legal Department**

The Legal Department Serves the City’s legal needs, which range from code drafting and enforcement, to solving citizens’ issues, real estate matters, statutory interpretation, litigation, and general advice to the Mayor and City Departments on a broad variety of municipal, state, and federal law issues.

The Legal Department has studied the annexation areas and has determined that the long-term legal needs and issues, which could potentially arise from annexation, will not vary significantly as more areas are annexed. In other words, Legal does not anticipate costs will be able to be allocated directly to Annexation Areas. Rather, Legal expects that it will continue to grow slowly and organically, as it has in the past. Costs will therefore be spread across the entire incorporated net assessed value base.

Regardless, the non-capital services of the Legal Department will be provided in each annexation area within one (1) year and the capital services will be provided in each annexation area within three (3) years after the effective date of the annexation in a manner equivalent in standard and scope to those services provided within the corporate boundaries regardless of similar topography, patterns of land use, and population density. Please reference Legal Department detailed cost estimate data on the following pages:

| Area: | Combined | 1A  | 1B  | 1C  | 2   | 3   | 4   | 5   |
|-------|----------|-----|-----|-----|-----|-----|-----|-----|
| Page: | 98       | 207 | 235 | 263 | 291 | 319 | 347 | 375 |

## Controller's Department

The Controller's Department ensures that public tax dollars are utilized in a fiscally responsible manner to provide optimal services to Bloomington residents. The office is involved in the processing of all daily financial transactions of the City. The Department strives to ensure Bloomington's short- and long-term fiscal viability through professional financial and budgetary management and reporting.

The Controller's Department has studied the annexation areas and estimates additional operating costs of one (1) additional employee, at a cost (including benefits) of \$81,955 as well as other operating costs, totaling \$1,093. These costs would likely be incurred proportionally based on the annexation of areas 1A, 1B, 1C, and/or 2, and are therefore allocated to each of those areas based on assessed valuation. The Department does not foresee a need for operational cost increases related to the annexation of Areas 3, 4, or 5.

All cost estimates assume 3% inflationary growth per year. The Department does not anticipate any additional capital costs.

Regardless, the non-capital services of the Controller's Department will be provided in each annexation area within one (1) year and the capital services will be provided in each annexation area within three (3) years after the effective date of the annexation in a manner equivalent in standard and scope to those services provided within the corporate boundaries regardless of similar topography, patterns of land use, and population density. Please reference Controller's Department detailed cost estimate data on the following pages:

| Area: | Combined | 1A  | 1B  | 1C  | 2   | 3   | 4   | 5   |
|-------|----------|-----|-----|-----|-----|-----|-----|-----|
| Page: | 90       | 199 | 227 | 255 | 283 | 311 | 339 | 367 |

## Community and Family Resources (CFRD)

The Community and Family Resources Department (CFRD) serves as a resource to individuals, families, and organizations in the Bloomington community, coordinating services, programs and activities that promote an enhanced quality of life and help to build a strong, vital community. Programs, Commissions and Committees provided by CFRD include:

### Community and Family Resources Department Programs

- Latino Programs and Outreach
- Safe and Civil City Program

- City of Bloomington Volunteer Network
- Safety, Civility and Justice Initiative
- Helping Bloomington Monroe Online Resource Portal

Community and Family Resources Commissions and Committees

- Commission on the Status of Black Males
- Commission on the Status of Women
- Commission on the Status of Children and Youth
- Council for Community Accessibility
- Dr. Martin Luther King, Jr. Commission
- Commission on Hispanic and Latino Affairs
- Commission on Aging
- Monroe County Domestic Violence Coalition
- Monroe County Nonprofit Alliance
- The Future of Policing Task Force
- Racial Equity Task Force

CFRD has studied the annexation areas and estimates that if all annexations were completed it would add one (1) additional employee, at \$60,000, increase marketing costs by an additional \$8,000, and add new program development costs of \$25,000. All cost estimates assume 3% inflationary growth per year. These costs would likely be incurred proportionally based on the annexation of each of the areas and are therefore allocated to each area based on assessed valuation. The Department does not anticipate any additional capital costs.

Regardless, the non-capital services of CFRD will be provided in each annexation area within one (1) year and the capital services will be provided in each annexation area within three (3) years after the effective date of the annexation in a manner equivalent in standard and scope to those services provided within the corporate boundaries regardless of similar topography, patterns of land use, and population density.

Please reference CFRD detailed cost estimate data on the following pages:

| Area: | Combined | 1A  | 1B  | 1C  | 2   | 3   | 4   | 5   |
|-------|----------|-----|-----|-----|-----|-----|-----|-----|
| Page: | 89       | 198 | 226 | 254 | 282 | 310 | 338 | 366 |

## Parks Department

The Parks and Recreation Department provides essential services, facilities, and programs necessary for the positive development and well-being of the community through the provisions of parks, recreation services, trails, nature preserves, and recreational facilities. The Department manages 2,342 acres of property, is responsible for over \$84 million in city assets and offers over 300 sports and recreation programs annually.

The Bloomington Parks Department is a major community asset that repays residents' investment every day. Thanks to the Department's facilities, land, and programs, residents enjoy higher property values, improved neighborhoods, and enhanced lives and job performance as they exercise, play, and relieve stress in a greener and more beautiful and sustainable urban environment. As a sign of the Department's commitment to serving Bloomington, it is one of only four park departments in the State of Indiana to be accredited by the National Recreation and Park Association's Commission for Accreditation of Parks and Recreation Agencies (CAPRA). Achieving this status indicates that the Department has met national standards of best practices for providing high quality services and experiences. The primary activities are:

- Operations – Parks, Facilities, and Trail Maintenance
  - Maintenance and development for 34 public parks – avg 1 million users/year
- Landscaping
  - Maintenance of 2,300 acres of public property & 300,000 sq ft of formal areas
- Urban Forestry
  - Protection and enhancement of urban forestry
- Natural Resources
  - Preservation of natural resources (i.e. Griffy Lake Nature Preserve, Wapehani Park, Leonard Springs) and environmental education programs
- Cemeteries
  - Maintenance of 4,484 grave sites and cemetery structures & grounds

The Bloomington Parks Department manages 2,342 acres of parkland and offers hundreds of programs for Bloomington residents of all backgrounds, ages, and abilities. The Department is responsible for the operation of numerous facilities and parks, including the Twin Lakes Recreation Center, Bryan Park Pool, Winslow Sports Park, Frank Southern Ice Arena, Cascades Golf Course, and Switchyard Park, as follows:

- a. 38 miles of trails
- b. 2 outdoor pool facilities
- c. 1 (27 hole) golf course
- d. 1 ice arena

- e. 19 park shelters
- f. 28 playgrounds
- g. 3 recreation/community centers
- h. 2 skate parks
- i. 1 theatre
- j. 26 basketball courts
- k. 16 tennis courts
- l. 2 volleyball courts
- m. 16 ball diamonds
- n. 1-disc golf course
- o. 2 dog parks
- p. 3 bocce ball courts
- q. 4 outdoor fitness stations
- r. 1 mountain bike park
- s. 1 nature preserve
- t. 3 community garden sites
- u. 1 spray pad
- v. 2 outdoor stages
- w. 1 event pavilion
- x. 8 pickleball courts

| Park Classification                       | Current Acres |
|---|---------------|
| Urban Mini-Parks                          | 6.81          |
| Neighborhood Parks                        | 69.67         |
| Community Parks/ Sports Parks/Golf Course | 683.77        |
| Nature Preserves                          | 1,322.48      |
| Multi-Use Trails                          | 158.45        |
| Dog Parks                                 | 18.50         |
| Cemeteries                                | 29.99         |
| Undeveloped Land                          | 36.91         |
| Facility Acreage Not Currently Parks      | 15.42         |
| Total Acres                               | 2,342.00      |

### Recreational Services

Recreational Services provides programs, community events, and services for the Department. These include Community Events that feature an eclectic mix of cultural and outdoor activities as well as year-round events that provide employment, education, and a sense of community. Examples of some of these programs and events include:

- After School Programs

- Community Gardens
- Drool in the Pool
- Farmers' Market
- Fourth of July Parade
- Kid City camps
- Preschool programs
- Senior Expo and Children's' Expo
- Youth Break Days
- Performing Arts Series
- Summer food service program
- Affair of the Arts

### Sports Services

The Sports Services division provides formal and informal sports programs and services for youth and adults. Activities are held at Department administered facilities. The Sports Services division also works with local organizations that utilize Department facilities for programs that are not administered by the Department. Activities include programs such as:

- Youth Baseball Partnership
- Blades Hockey
- Figure Skating
- Indoor Soccer
- IU Hockey
- Adult Softball
- Swim Lessons
- Ice Skating Lessons

The City and Parks Department already provides many parks services to the annexation areas, and the City believes that the annexation areas can be and are served with existing parks facilities. Nevertheless, the Parks Department has studied the annexation areas and following annexation, the City proposes to make additional capital investments in park facilities including new parks/enhancements and new trails/enhancements. The estimated proposed capital park facility expenditures for all areas combined is approximately \$3.2 million to \$7.9 million.

The final location and specific capital improvements will be determined as part of an ongoing discussion with annexed residents and landowners, with construction anticipated to begin in the first three years following the effective date of the annexations. While costs may vary and be impacted by land availability and acquisition costs, the following chart

menu shows various estimated cost options for trails and parks (variations and estimates of future projects are based on existing infrastructure and comparative costs) that may be included as a part of the City's investment:

| City of Bloomington - Annexation: Parks & Trails Capital Expense Analysis  |                         |
|--|-------------------------|
| Facility Type/Description  | Estimated Cost per Mile |
| <b>MULTI USE TRAILS</b>  |                         |
| 12 ft. wide trail: <i>Rail to trail conversion (asphalt with 2' wide graded stone shoulders, minimal grading and drainage improvements)</i>                                      | \$ 800,000.00           |
| 12 ft. wide trail: <i>varied terrain (asphalt with 2' wide graded stone shoulders, moderate grading and drainage improvements)</i>   | \$ 1,200,000.00         |
| 12 ft. wide trail: <i>varied terrain including bridge over roadway or small stream (asphalt with 2' wide graded stone shoulders, moderate grading and drainage improvements)</i> | \$ 1,500,000.00         |
| Facility Type/Description  | Estimated Cost per Acre |
| <b>PARKS</b>   |                         |
| Neighborhood Park (5-10 Acres)<br><i>Playground, shelter, walking trails</i>   | \$ 350,000.00           |
| <i>Playground, shelter, walking trails, splash pad, parking</i>  | \$ 525,000.00           |
| Community Park (10-50 acres)<br><i>Parking and ballfields</i>  | \$ 220,000.00           |
| <i>Parking, ballfields, concessions, bleachers, playground, etc.</i>   | \$ 350,000.00           |
| Regional / Large Urban Park (50+ acres)  |                         |
| <i>Playground, shelter, walking trails, habitat restoration, parking</i>   | \$ 130,000.00           |
| <i>Playground, spray pad, shelter, walking trails, game courts, fitness stations, restrooms, lighting, habitat restoration, parking, etc.</i>                                    | \$ 525,000.00           |
| Nature Preserve (Variable size)  | \$ 65,000.00            |

### Capital Assigned to Annexation Areas

| Area         | Parks, Trails, and/or Enhancements |                     |
|--------------|------------------------------------|---------------------|
|              | Min                                | Max                 |
| 1A           | \$ 1,233,468                       | \$ 2,720,795        |
| 1B           | \$ 766,908                         | \$ 1,979,540        |
| 1C           | \$ 14,904                          | \$ 38,470           |
| 2            | \$ 973,944                         | \$ 2,513,940        |
| 3            | \$ 30,132                          | \$ 77,776           |
| 4            | \$ 26,244                          | \$ 67,740           |
| 5            | \$ 194,076                         | \$ 500,948          |
| <b>Total</b> | <b>\$ 3,239,676</b>                | <b>\$ 7,899,210</b> |

In addition, the Impoundment Funds may be used for additional capital expenditures for parks and recreation facilities in the respective annexation areas above the City's initial commitment.

The Parks Department anticipates the following additional operational costs if the annexations are completed:

- Seasonal employees (2 min to 8 max) @ \$36,303 each
- Full time staff (1) @ \$47,315, each
- Facilities and Grounds Labor @ \$25,280 min to \$75,924 max
- Supplies for Grounds/Facilities @ \$10,146 min to \$30,438 max
- Miscellaneous @ \$2,280 min to \$6,840 max

These costs would likely be incurred proportionally based on the capital expenditures outlined above and are therefore allocated to each area based on each areas proportionate share of the proposed capital costs.

Regardless, the non-capital services of the Park Department will be provided in each annexation area within one (1) year and the capital services will be provided in each annexation area within three (3) years after the effective date of the annexation in a manner equivalent in standard and scope to those services provided within the corporate boundaries regardless of similar topography, patterns of land use, and population density.

Please reference Parks Department detailed cost estimate data on the following pages:

| Area: | Combined | 1A  | 1B  | 1C  | 2   | 3   | 4   | 5   |
|-------|----------|-----|-----|-----|-----|-----|-----|-----|
| Page: | 100      | 209 | 237 | 265 | 293 | 321 | 349 | 377 |

## Human Resources Department

The mission of Human Resources is to establish innovative, best practices in human resources management, and to create a positive, productive and inclusive work environment that attracts, retains, and develops talent in order to accomplish organizational goals. The department does this by implementing effective recruitment strategies; offering programs to increase employee engagement; managing systems to improve performance and promote employees' professional development; advising leaders on management issues and organizational development; providing services related to benefits and payroll functions; and maintaining systems to remain compliant with federal and state laws.

The costs and needs of the HR Department are largely related to the City's workforce growth. For example, while annexation itself does not directly impact the HR Department, hiring additional personnel generally increases HR work related to the hiring and onboarding process, additional employees will increase the number of employee requests and the amount of data the Department inputs and manages, and personnel increases raise the demand for services related to issues such as worker's compensation and other leave administration as well as benefits information that the Department collects, audits, manages, and processes.

The HR Department has studied the proposed additional staffing of the other departments based on the proposed annexations, and estimates the following additional operating costs if all areas are annexed:

- Hiring manager (1) @ \$82,000
- Administrative assistant (0.4) @ 17,000
- Training/Dues (for new hires) @ \$790
- Supplies (for new hires) @ \$500 min to \$1000 max

All cost estimates assume 3% inflationary growth per year.

In addition, the Department anticipates corresponding new computer(s) and office equipment, to equip new hires, ranging from \$2,500 to \$5,000.

These costs would likely be incurred proportionally based on the staffing additions of the other City Departments. Costs are therefore allocated to each annexation area based on each Area's proportionate share of the proposed new staffing hires.

Regardless, the non-capital services of the HR Department will be provided in each annexation area within one (1) year and the capital services will be provided in each annexation area within three (3) years after the effective date of the annexation in a

manner equivalent in standard and scope to those services provided within the corporate boundaries regardless of similar topography, patterns of land use, and population density.

Please reference Human Resources detailed cost estimate data on the following pages:

| Area: | Combined | 1A  | 1B  | 1C  | 2   | 3   | 4   | 5   |
|-------|----------|-----|-----|-----|-----|-----|-----|-----|
| Page: | 96       | 205 | 233 | 261 | 289 | 317 | 345 | 373 |

### Office of the Mayor

The Mayor is the elected Executive of the City of Bloomington. The Mayor appoints the various Department Heads and makes appointments to various boards and commissions. The Mayor proposes the annual City Budget. The Mayor has the authority to approve or veto City Council ordinances. The Mayor enforces the ordinances of the City of Bloomington and the statutes of the State of Indiana.

The Office of the Mayor has studied the annexation areas and expects that if all areas are annexed the Department would hire one (1) additional employee @ \$150,000 (includes benefits and health insurance), assuming 3% inflationary growth in costs per year. The Department does not anticipate a need for additional capital costs. These costs would likely be incurred proportionally based on the annexation of each of the Areas and are therefore allocated to each area based on assessed valuation.

Regardless, the non-capital services of the Office of the Mayor will be provided in each annexation area within one (1) year and the capital services will be provided in each annexation area within three (3) years after the effective date of the annexation in a manner equivalent in standard and scope to those services provided within the corporate boundaries regardless of similar topography, patterns of land use, and population density.

Please reference the Office of the Mayor detailed cost estimate data on the following pages:

| Area: | Combined | 1A  | 1B  | 1C  | 2   | 3   | 4   | 5   |
|-------|----------|-----|-----|-----|-----|-----|-----|-----|
| Page: | 99       | 208 | 236 | 264 | 292 | 320 | 348 | 376 |

## Public Works Department

The City of Bloomington Public Works Department provides a wide range of services that will improve the quality-of-life for the residents of the annexation areas.

The Public Works Department has six (6) divisions: Administration, Animal Control, Facilities Maintenance, Fleet Maintenance, Street, and Sanitation.

1. Administration Division.
  - a. The Administration Division has studied the annexation areas and determined the need to install 360 new streetlights and take over 93 existing streetlights.
  - b. The Division also projects the annexation areas would require one additional full-time employee who would be a Deputy Director.
2. Animal Control Division
  - a. The Animal Care and Control Division has employees working 24 hours a day, 7 days a week. Therefore, the City can respond immediately to a vicious or injured animal. In contrast, Monroe County only provides animal control 8 AM to 5 PM Monday through Friday.
  - b. The Animal Control Division has studied the annexation areas and projects the annexation areas, if all are annexed, would justify two (2) additional full-time employees, a full-time secretary, along with equipment and other operating expenses. The Division would also anticipate one (1) additional vehicle. The Department has allocated costs to each Annexation Area based on the number of parcels and the subsequent increase to population. These numbers were used to determine the number of potential annual Animal Control calls, animal intake, and lost revenue from the change to the standing interlocal agreement, based on a comparison to the existing Animal Control Operations, as follows:

|  | Area 1A             | Area 1B             | Area 1C            | Area 2              | Area 3             | Area 4             | Area 5              | All Areas         |
|--|---------------------|---------------------|--------------------|---------------------|--------------------|--------------------|---------------------|-------------------|
| <b>Statistics</b>                            |                     |                     |                    |                     |                    |                    |                     |                   |
| Est. Population Increase                     | 3,987               | 4,566               | 79                 | 3,653               | 366                | 420                | 956                 | <b>14,027</b>     |
| Percent of total population                  | 28%                 | 33%                 | 1%                 | 26%                 | 3%                 | 3%                 | 7%                  | <b>100%</b>       |
| Potential annual Animal Control Calls        | 117                 | 134                 | 2                  | 107                 | 11                 | 12                 | 28                  | <b>411</b>        |

### 3. Facilities Maintenance Division

- a. The Facilities Maintenance Division has studied the annexation areas and the estimated facility costs of the other Departments, and estimates the annexation areas in total would justify one (1) additional Maintenance/Custodian employee, assuming 3% cost inflation per year, and one additional utility vehicle. These costs would likely be incurred proportionally based on the annexation of each of the Areas and are therefore allocated to each of the areas based on assessed valuation.

### 4. Fleet Maintenance Division

The Fleet Maintenance Division has studied the annexation areas and the estimated fleet costs of the other Departments, and estimates the annexation areas in total would justify one (1) additional Master Mechanic, assuming 3% cost inflation per year, and a new or expanded facility to take care of new fleet vehicles. New or expanded facility costs will vary depending on the number of Areas and which Areas are annexed, ranging from \$300,000 to \$1,000,000. For example, should Area 1A, 1B, and 2 be annexed, costs would be closer to \$1,000,000, because these areas constitute roughly 90% of the aggregate annexation. These costs are therefore allocated to each of the Annexation Areas based on assessed valuation.

### 5. The Street Maintenance Division

- a. The Street Division is responsible for snow plowing. The City has 233 road miles and 25 trucks with plows. Monroe County has 715 road miles and approximately 26 trucks with plows. The City pretreats roads for hazardous weather conditions. The Street Division also provides street sweeping.

The Division has studied the annexation areas and estimates adding ten (10) additional full-time employees, at \$66,458 per, and added operating costs if all

Areas are annexed. The Division also will incur costs for snow events, street sweeping disposal, and annual signal maintenance. The Division also estimates the addition of ten (10) dump trucks and three (3) leafers if all Areas are annexed.

- a. The annexation area roads will be placed in the City’s road inventory and repaired, or replaced, in a manner consistent with current repairs and replacements inside the City’s current corporate boundaries. The cost estimates and allocation to each area are as follows. Road improvement costs are allocated to Annexation Areas based on the number of road miles being added to and brought up to par within the City’s inventory. Current road ratings, as shown, are based on the County’s rating system. The City will use its own (current) methods to rate lane miles upon annexation. As such, the Department may prioritize certain Annexation Areas, in part or in whole, over others within the first 4-years, as need dictates based on updated ratings:

|  | Annexation Cost Estimates/Street Division |                       |                     |                       |                     |                     |                     | TOTAL                  |

Cost to resurface lane mile of road \$ 121,800.00 Fiscal Plan assumes 3% cost growth per year to account for degradation of roads over time (cost estimates for Areas will be higher than total shown above)

Cost to mill lane mile of road \$ 50,000.00 Fiscal Plan assumes 3% cost growth per year to account for degradation of roads over time (cost estimates for Areas will be higher than total shown above)

The Department has also prepared detailed cost estimates by Annexation Area for Street Lighting. Costs depend on the style of lighting used and the number of lights required. Fixed costs include \$1,000 per roadway fixture, \$3,500 per post-top fixture, \$3.36/year of

energy and maintenance per light, and 7% installation costs added to the subtotal. Estimates are as follows:

| Associated Contingency Costs |                |             |  |  |                     |  |                     |
|------------------------------|----------------|-------------|--|--|---------------------|--|---------------------|
| Annexation Areas             | Lighting Style | # of Lights | Equipment Costs Per Fixture<br>\$1,000 | Energy & Maint Costs Per Light<br>\$3.36 | Sub Total Costs     | Installation Costs Added 7% to Sub Total Costs | Total               |

## 6. Sanitation Division

- a. The Sanitation Division provides trash, recycling, yard waste, and appliance pick up to all residential properties inside of the City. The City of Bloomington implemented automated trash and recycling service during 2017. The City's understanding is that the unincorporated areas have private trash haulers that charge between \$20 and \$40 per month which sometimes includes trash pick-up only. The City anticipates that residential property owners will see a savings in their monthly trash costs through City service compared to private trash haulers.
- b. The Sanitation Division has studied the annexation areas and projects the addition of eight (8) full time employees if all areas area annexed. The Division would then anticipate related capital costs for four (4) automated trash trucks, and 12,685 recycling and trash carts. The Department has provided a detailed breakdown of costs, allocated to each Annexation Area, based on the number of parcels in each property class, assigning a factor to each type. Operational costs are assumed to increase 3% per year. Staff and truck estimates are for DPW overall (incorporates each divisions staffing/truck needs), as follows:

| Annexation Area | Property Class Group               | Count of Parcels | Potential Sanitation | Unit Factor | Sanitation Unit Total Estimate | Cart Total Estimate | Staff # Estimate | Staff \$ Cost Estimate | Truck # Estimate | Truck \$ Estimate   |

**ALL ANNEXATION AREAS COMBINED**

|                             |                       |  |
|-----------------------------|-----------------------|--|
| <b>Total Employees</b>      | <b>8</b>              |  |
| <b>Cost of Employees</b>    | <b>\$531,669.68</b>   | <b>(\$66,458.71 per employee)</b>  |
| <b>Total Trucks</b>         | <b>4</b>              |  |
| <b>Total cost of Trucks</b> | <b>\$1,560,000.00</b> | <b>(\$390,000 per truck)</b>   |
| <b>Total # of Carts</b>     | <b>12,595.00</b>      |  |
| <b>Total \$ of Carts</b>    | <b>\$634,275</b>      | <b>(\$50 per cart; each address gets 2 carts minimum for both trash and recycling)</b> |

Some of the annexation areas include private residential streets. The City is willing to work with those controlling these private streets, which would otherwise be treated as public right of way to provide for the transfer of those streets to the City. Such streets would be incorporated into the City’s road inventory. Services would be consistent with those provided to the City and other Annexation Areas.

Regardless, the non-capital services of the Public Work’s Department will be provided in each annexation area within one (1) year and the capital services will be provided in each annexation area within three (3) years after the effective date of the annexation in a manner equivalent in standard and scope to those services provided within the corporate boundaries regardless of similar topography, patterns of land use, and population density.

Please reference Public Works Department detailed cost estimate data on the following pages:

| Area: | Combined | 1A  | 1B  | 1C  | 2   | 3   | 4   | 5   |
|-------|----------|-----|-----|-----|-----|-----|-----|-----|
| Page: | 104      | 213 | 241 | 269 | 297 | 325 | 353 | 381 |

## Housing and Neighborhood Development (HAND)

The Housing and Neighborhood Development Department provides City services across a broad spectrum of areas and in three areas of Bloomington Municipal Code (Titles Six, Eight and 16) and administers entitlement funds from the U.S. Department of Housing and Urban Development. Areas of service include:

- **Neighborhood Services**
- **Rental Inspection Program**
- Historic Preservation
- HUD Funding (CDBG and HOME) Program Management (social services and physical improvements)
- Rental and homeownership assistance and counseling
- Home rehab
- Departmental and Programmatic Financial Management and Customer Service Operations

HAND staff have analyzed the various functions of the Department and feel that for most areas, save two, expanded city limits through annexation will simply increase overall staff time, which could potentially be absorbed by the Department.

The two areas where the Department feels there will likely be impacts through staff and programming, depending on Areas annexed, are **Neighborhood Services** and **Rental Inspection**.

### Neighborhood Services Program

HAND currently has one Neighborhood Services Program Manager, who is the Department Liaison with approximately 62 recognized neighborhood organizations and related groups within the City. HAND also annually provides Neighborhood Improvement Grants (seven awards were given in 2021 totaling \$27,000), \$5,000 to fund two neighborhood cleanups per year, as well as \$4,000 to award in seasonal Small and Simple Grants (four have been awarded in 2021). Moving forward, we estimate that in total, 25 new neighborhood groupings fall within the seven AIFAs, the majority of which are in areas 1B and 2 (see full list below).

| Proposed Annex. Area | Geographic Location | Neighborhood Street(s)    | Nearest Main Road |
|----------------------|---------------------|---------------------------|-------------------|
| 1B                   | Southwest           | Phillis St to Charlie Ave | S Rogers St       |
| 1B                   | Southwest           | Lois Ln to Fairway Ln     | S Rogers St       |
| 1B                   | Southwest           | Pargrave Pl/Tulip Ave     | S Rogers St       |
| 1B                   | Southwest           | Somersbe Pl               | S Rogers St       |
| 1B                   | Southwest           | Clear View Dr/Baywood Dr  | S Rogers St       |

|    |           |                                     |                       |
|----|-----------|-------------------------------------|-----------------------|
| 1B | Southwest | Falcon Dr/Eagleview Dr              | Gordon Pk/That Rd     |
| 1B | Southwest | Wickens (The Highlands)             | Gordon Pk/Rockport Rd |
| 1B | Southwest | Sims Ln/Judd Ave                    | Leonard Springs Rd    |

| 1B | Southwest | Hickory Leaf Dr/Maple Leaf Dr       | Leonard Springs Rd    |
| 1C | Southwest | W Red Rock Rd                       | Leonard Springs Rd    |
| 1A | Southwest | Woodlyn Dr/Glen Oaks Dr             | S Curry Pk            |
| 1A | Southwest | Hank's Crossing                     | Endwright Rd          |
| 1A | Southwest | Fieldstone Blvd/Stonechase Crossing | W 3rd St              |
| 3  | Northwest | Kimble Dr/Johnson Ave               | W 3rd St              |
| 2  | Southwest | White Pine Dr                       | W Church Ln           |
| 2  | Southeast | Cardinal Glen Dr                    | S Walnut St Pk        |
| 2  | Southeast | Holland Dr/Crestline Dr             | S Walnut St Pk        |
| 2  | Southeast | Derby Dr                            | E Rhorer Rd           |
| 2  | Southeast | Meadowcreek Blvd                    | Sare Rd               |
| 2  | Southeast | Robin Rd/Bluebird Ln                | Snoddy Rd             |
| 2  | Southeast | Compton Blvd                        | SR 446                |
| 2  | Southeast | Falls Creek Dr                      | SR 446                |
| 2  | Southeast | Lori Ln                             | SR 46                 |

These additional areas will expand potential neighborhood reach by 40%. As such, the three programs HAND offers to neighborhoods within the City of Bloomington will likely need additional funding following annexation. The Department also proposes the purchase of a Neighborhood Resource Trailer to increase neighborhood outreach regarding City services and programming, to be used City-wide.

| Program                        | Current Funding Level | New Potential Level | Increase in Funding |
|--------------------------------|-----------------------|---------------------|---------------------|

| <b>Total</b>         | <b>\$ 45,000</b>            | <b>\$ 20,000</b>               | <b>\$ 65,000</b>        | <b>100%</b> | <b>1,503</b> |

*\*For the first time in 2021, the City is offering two types of Small and Simple Grants – one for general neighborhood projects, and another specifically focused on removing invasive species. This explains the larger increase in the potential level of funding, because the Department anticipates newer City neighborhoods applying for these as they engage for the first time in City services.*

### Rental Inspection Program

The City of Bloomington's Rental Inspection program, which includes enforcement authority under Title 16 of the Bloomington Municipal Code (residential rental code enforcement), as well as under Title Six, which is known colloquially as "weeds and trash" code enforcement, and includes rental and owner-occupied residences, as well as commercial properties.

HAND currently has six Neighborhood Compliance Officers, in addition to one Program Manager, who cover enforcement under these two areas of City code. In order to assess the potential impact of annexation, the Department analyzed non-owner-occupied properties in the seven AIFAs, and arrived at an estimate of 1,503 rental properties across these eight areas.

With a potential of 1,503 additional rental properties (Title 16) (equally approximately 513 more units inspected annually if on a three-year inspection cycle), as well as acreage and neighborhoods that would need to be covered for Title Six, the following additional resources are anticipated:

- Max of two (2) new Neighborhood Compliance Officers (NCO), \$103,376 each
  - One (1) vehicle per NCO, \$34,267 each – capital cost
  - Technology, \$1,750 per NCO – capital cost
  - Inspection tools, \$100 per NCO – non capital cost
  - Costs allocated to annexation as such, note: the addition of an NCO also requires the related expenses:

- 1C, 3, 4, 5, or any combination thereof = no new staff needed
- 1A and any Areas except 1B and/or 2 = one (1) NCO needed
- 2 and any Areas except 1A and/or 1B = two (2) NCOs needed
- 2 and 1A and any Areas = two (2) NCOs needed
- 1B and any Areas = two (2) NCOs needed
- Min of one (1), max of two (2) Admin Assistant(s), \$34,267 each
- Min of \$3,000, max of \$5,000 for supplies

Non-NCO costs would likely be incurred proportionally based on the annexation of each of the Areas and are therefore allocated to each area based on assessed valuation.

Regardless, the non-capital services of the HAND Department will be provided in each annexation area within one (1) year and the capital services will be provided in each annexation area within three (3) years after the effective date of the annexation in a manner equivalent in standard and scope to those services provided within the corporate boundaries regardless of similar topography, patterns of land use, and population density.

Please reference HAND Department detailed cost estimate data on the following pages:

| Area: | Combined | 1A  | 1B  | 1C  | 2   | 3   | 4   | 5   |
|-------|----------|-----|-----|-----|-----|-----|-----|-----|
| Page: | 95       | 204 | 232 | 260 | 288 | 316 | 344 | 372 |

### Planning and Transportation Department

The Planning and Transportation Department contains two (2) major divisions: Development Services and Planning Services. The Department also includes the county-wide Metropolitan Planning Organization or MPO. The Department utilizes a variety of comprehensive measures to soundly manage the land-use growth of the City's zoning ordinance and transportation infrastructure, to ensure quality of life and economic vitality.

1. The Development Services Division reviews and issues zoning permits, answers zoning inquiries from citizens, staffs and supports the Plan Commission and Board of Zoning Appeals, and implements code enforcement per City-standards.
2. The Planning Services Division staffs and supports the Bicycle and Pedestrian Safety Commission, the Metropolitan Planning Organization, the Traffic Commission, the Parking Commission, responds to citizens' inquiries, develops area plans and studies including needs for multimodal transportation, maintains the Comprehensive Plan, and evaluates the implementation of plans and studies.

The Department studied the annexation areas and estimates the annexations in total would justify three (3) additional full-time employees and associated operating costs. The Department has a five (5) year rolling plan for City streets. Annexation Areas will be added to the plan and addressed along with existing inventory. The Department also estimates a capital expense of approximately \$250,000; \$100,000 for zoning new land areas and \$150,000 to update the Comprehensive Plan, leading up to the first year after the annexation becomes effective. As Areas 3, 4, and 5 are comparatively small, these Areas are less likely to significantly impact the future capital and non-capital needs of the department. Total costs would therefore likely be incurred proportionally based on the annexation of Areas 1A, 1B, 1C, and 2, and are therefore allocated to these Areas based on assessed valuation.

Regardless, the non-capital services of the Planning and Transportation Department will be provided in each annexation area within one (1) year and the capital services will be provided in each annexation area within three (3) years after the effective date of the annexation in a manner equivalent in standard and scope to those services provided within the corporate boundaries regardless of similar topography, patterns of land use, and population density.

Please reference Planning and Transportation Department detailed cost estimate data on the following pages:

| Area: | Combined | 1A  | 1B  | 1C  | 2   | 3   | 4   | 5   |
|-------|----------|-----|-----|-----|-----|-----|-----|-----|
| Page: | 101      | 210 | 238 | 266 | 294 | 322 | 350 | 378 |

### Information & Technology Services Department

The Information & Technology Services Department (ITS) provides comprehensive information technology and communications technology services and support for City staff across all areas of City operations. ITS also provides services directly to residents through the maintenance of public IT systems such as the City's website, data portal and mobile apps.

ITS has studied the annexation areas and estimates that if all areas are annexed, one (1) Tech Support Specialist @\$70,000, one (1) Application Analyst @\$85,000, one (1) GIS Specialist @\$75,000, and one (1) Junior Systems/Network Admin @\$75,000 will be needed. ITS also estimates it will need \$6,500 per year, to support additional employees in its own Department and for onboarding new hires City-wide. Costs include: software licenses, cloud service subscriptions, update City GIS management, internet/network connectivity for new or expanded facilities, increased travel expenses for staff, and

maintenance costs (network hardware, servers, phones, security cameras, door access systems, etc.) Inflationary growth of 3% per year is assumed for all operational costs.

ITS also estimates the following capital costs: \$2,000 per new employee for standard staff equipment; desk/mobile phones, computer, UPS. Network equipment, cabling for network and phones, server room updates, electrical system upgrades, etc., totaling \$10,000 per facility hosting new staff. Finally, the Department anticipates costs for connectivity buildout, network gear, cabling, phones, cameras, security, etc. at any new facilities of approximately \$30,000.

The Department's needs will depend on the number of new hires and subsequent City technology needs resulting from the different Areas. Annexation of the larger areas – such as Areas 1 and 2 – will likely justify a greater increase in capital and non-capital costs than the smaller areas. As such, costs have been proportionately allocated to Areas based on the Area's percentage of the total assessed value.

Regardless, the non-capital services of the ITS Department will be provided in each annexation area within one (1) year and the capital services will be provided in each annexation area within three (3) years after the effective date of the annexation in a manner equivalent in standard and scope to those services provided within the corporate boundaries regardless of similar topography, patterns of land use, and population density.

Please reference Information Technology Services Department detailed cost estimate data on the following pages:

| Area: | Combined | 1A  | 1B  | 1C  | 2   | 3   | 4   | 5   |
|-------|----------|-----|-----|-----|-----|-----|-----|-----|
| Page: | 97       | 206 | 234 | 262 | 290 | 318 | 346 | 374 |

### Economic and Sustainable Development (ESD)

The mission of the Economic and Sustainable Development Department (ESD) is to foster a livable and resilient community through partnerships, collaboration, and outreach. Through strategic initiatives that expand economic opportunities, the Department aims to preserve the health of our environment, provide for social equity to the citizenry, and advance the principles of sustainable development.

ESD's activities encompass three areas:

1. Business Relations and Development: Assistance and advocacy, incentives toward job creation, private capital investment and sustainable growth.
2. Sustainable Development: Building networks, expertise, and efficiency in the community as well as internally to City operations.

3. Arts and Cultural Development: Public art, support of artists and arts organizations, promotion of unique Bloomington attractions and events.

The ESD Department has studied the annexation areas and expects the annexation areas would not require additional staff. Rather the ESD Department would have increased costs related to promotion of business growth, estimated at a total of \$75,000 per year, for the first two (2) years only, spread across all annexation areas. These costs have been allocated to each annexation area based on each area's percentage of the total assessed value that will be added due to annexation.

Regardless, the non-capital services of the ESD Department will be provided in each annexation area within one (1) year and the capital services will be provided in each annexation area within three (3) years after the effective date of the annexation in a manner equivalent in standard and scope to those services provided within the corporate boundaries regardless of similar topography, patterns of land use, and population density.

Please reference ESD Department detailed cost estimate data on the following pages:

| Area: | Combined | 1A  | 1B  | 1C  | 2   | 3   | 4   | 5   |
|-------|----------|-----|-----|-----|-----|-----|-----|-----|
| Page: | 92       | 201 | 229 | 257 | 285 | 313 | 341 | 369 |

### Common Council Department

The Common Council is the elected legislative and fiscal body of the City of Bloomington. There are nine (9) Council members, consisting of six (6) elected by district and three (3) elected at large.

As the legislative body of the City, the City Council is a link between the citizens of Bloomington and their government. By enacting legislation that fosters the health, safety and welfare of the City, the Council works to represent the interests of residents while ensuring the delivery of municipal services. By statute, the Council is also responsible for the control of the City's property and finances, and the appropriation of money (Indiana Code § 36-4-6).

Council staff have studied the annexation areas and expect the annexation areas would not require additional staff. The Council would remain at nine (9) members.

The annexation areas will initially be assigned to existing contiguous Council districts. Following the effective date of the annexations that are ultimately implemented, whether in conjunction with the post-census redistricting or as an additional redistricting, the City will review and redistrict its Council District's as appropriate.

Regardless, the non-capital services of the Common Council will be provided in each annexation area within one (1) year and the capital services will be provided in each annexation area within three (3) years after the effective date of the annexation in a manner equivalent in standard and scope to those services provided within the corporate boundaries regardless of similar topography, patterns of land use, and population density.

Please reference Common Council Department detailed cost estimate data on the following pages:

### City Clerk Department

The City of Bloomington Clerk's Office strives to make city government as accessible and responsive to the community as possible. The office serves as an educational liaison between citizens and their government. The Department responds to inquiries by telephone, in writing, or in person from a variety of interested persons regarding matters pertaining to City Council actions, or related City information retained in the City Clerk's office. The Department works closely with the City Council to supply combined constituent services.

The City Clerk has studied the annexation areas and expects the annexation areas would not require additional staff or other operating or capital costs.

Regardless, the non-capital services of the City Clerk's Department will be provided in each annexation area within one (1) year and the capital services will be provided in each annexation area within three (3) years after the effective date of the annexation in a manner equivalent in standard and scope to those services provided within the corporate boundaries regardless of similar topography, patterns of land use, and population density.

Please reference City Clerk Department detailed cost estimate data on the following pages:

|              |                 |           |           |           |          |          |          |          |

## Engineering Department

The City of Bloomington Engineering Department is made up of two divisions, the Capital Project Division, and the Right-of-Way Management Division. These divisions are responsible for overseeing activities in the City's approximately 1,800 acres of public right of way and for carrying out the City's vision to achieve a safe, accessible, efficient, equitable, and sustainable transportation system that works for people of all ages and abilities using all modes of transportation.

The Engineering Department has studied the annexation areas and estimates that if each of the areas are annexed in total, the Department would add (1) Project Manager @ \$50,000 - \$54,000 and one (1) Engineering Field Specialist @ \$48,000 - \$52,000, along with an attendant increase in Supplies and Travel/Dues of approximately @ \$8,000. Inflationary growth of 3% per year has been applied to all operational costs.

The Department also anticipates it would add two (2) additional trucks @ \$50,000 each, new computer/phones for the new hires @ \$4,000, and an expanded workspace @ \$50,000 - \$100,000.

The Department anticipates that the new hires and related operational expense increases can be allocable to the areas proportionally and are therefore allocated to each area based on assessed valuation.

Regardless, the non-capital services of the City Engineering Department will be provided in each annexation area within one (1) year and the capital services will be provided in each annexation area within three (3) years after the effective date of the annexation in a manner equivalent in standard and scope to those services provided within the corporate boundaries regardless of similar topography, patterns of land use, and population density.

Please reference the City Engineering Department detailed cost estimate data on the following pages:

| Area: | Combined | 1A  | 1B  | 1C  | 2   | 3   | 4   | 5   |
|-------|----------|-----|-----|-----|-----|-----|-----|-----|
| Page: | 93       | 202 | 230 | 258 | 286 | 314 | 342 | 370 |

## Police Department

The City of Bloomington Police Department is a full-service police agency, providing police protection to a city of approximately 80,000 residents and a land area of approximately 20 square miles. The Police Department currently has positions for 168 full-time persons: 105 sworn officers and 63 civilian employees, though based on various factors the total number of actual sworn officers in service at any time fluctuates. At any given time, BPD generally has eight (8) officers patrolling the City. As part of the department, the Central Emergency Dispatch Center (CEDC) also gathers and maintains law enforcement records and provides general operations and maintenance support.

The Department responds to citizens' requests for information, coordinates activities with community organizations and assists school administrators in support of safer schools. The Department also facilitates the safe and expedient movement of vehicular and pedestrian traffic, provides neighborhood patrols, provides community support through neighborhood resource officers and police social workers, and serves as a presence for the deterrence of crime. Through the continued education and training of sworn officers, the Police Department makes the City of Bloomington a safe community.

The Bloomington Police Department is accredited by the Commission on the Accreditation for Law Enforcement Agencies (CALEA), having achieved CALEA accreditation in 2018. The Police Department has adopted regulations and orders consistent with the recommendations of the Task Force on Twenty-First Century Policing, and is overseen by the civilian Board of Public Safety.

The scope and size of police departments, the benefits and amenities provided to officers, the need to attract quality personnel, and the manner of policing is a community discussion that is occurring around the country, including in Bloomington. The City expects that discussion to continue, and is committed to working with the community – including those in the annexation areas post-annexation – to provide a safe, appropriate, and responsive level of service.

|   | 2010   | 2011  | 2012   | 2013   | 2014   |
|---|--------|-------|--------|--------|--------|
| Sheriff responses in the annexation areas | 10,054 | 9,656 | 10,020 | 11,816 | 14,560 |

The Police Department has studied the annexation areas and calls for service and based on current levels and manner of service, generally estimates that it would add the following personnel following annexation:

### Sworn Personnel

| SWORN PERSONNEL - ANNEXATION ESTIMATES |                |              |             |             |             |             |             |             |             |             |              |              |

Non-capital and capital costs are allocated to Annexation Areas based on several factors, including each Area's percentage of total Annexation assessed value, the projected number of callouts, and each Area's percentage of the total Annexation Population. A detailed breakdown of the cost allocation to each Area can be found on the pages referenced in the table below.

Services will be provided to the annexation areas in the same manner as provided to the residents who currently reside in the City of Bloomington regardless of the manner in which community safety resources are directed.

The non-capital services of the Police Department will be provided in each annexation area within one (1) year and the capital services will be provided in each annexation area within three (3) years after the effective date of the annexation in a manner equivalent in standard and scope to those services provided within the corporate boundaries regardless of similar topography, patterns of land use, and population density.

Please reference Police Department detailed cost estimate data on the following pages:

| Area: | Combined | 1A  | 1B  | 1C  | 2   | 3   | 4   | 5   |

## Fire Department

As referenced above, when the City began the annexation process in 2017 it was required to provide, and the City expected to provide, fire protection service in any areas that the City ultimately annexed. The City therefore developed a comprehensive fiscal plan in 2017 outlining the provision of fire protection services across the respective annexation areas. However, since 2019 – while the City’s consideration of the annexations were on hold due to a state law that was declared unconstitutional – the Indiana General Assembly amended state statutes to provide that the Monroe Fire Protection District would continue to provide fire protection in areas that had joined the district. As a result, the City understands that the Monroe Fire Protection District will continue to provide fire to all annexed parcels in, Bloomington, Perry, and Van Buren Townships, while the Bloomington Fire Department (BFD) will be the fire services provider for parcels annexed within Richland and Salt Creek Townships. The City has therefore developed a plan to provide fire service to the annexed areas of Richland and Salt Creek Township. In the event circumstances change and additional City residents and property owners in the annexation area are permitted to obtain fire protection services from the City, the City has also developed a plan for providing services to those areas.

The Bloomington Fire Department currently consists of 110 personnel, operating four (4) engines, one (1) quint, one (1) aerial platform, one (1) medium rescue, one (1) brush truck, four (4) chief SUV/Truck, and five (5) support vehicles from five (5) fire stations and one (1) leased warehouse. The City of Bloomington is currently rated a 2/2X from the Insurance Services Organization (“ISO”). The Fire Department believes at its next rating from ISO that a rating of 1/1X is a possibility. The Department provides a full range of emergency services including: structure, wildland fire response, fire inspection, fire investigation, fire/life education, emergency medical response, vehicle rescue/extrication, confined space rescue, high angle rescue, trench rescue, urban search and rescue, ice/water rescue, and emergency scene command.

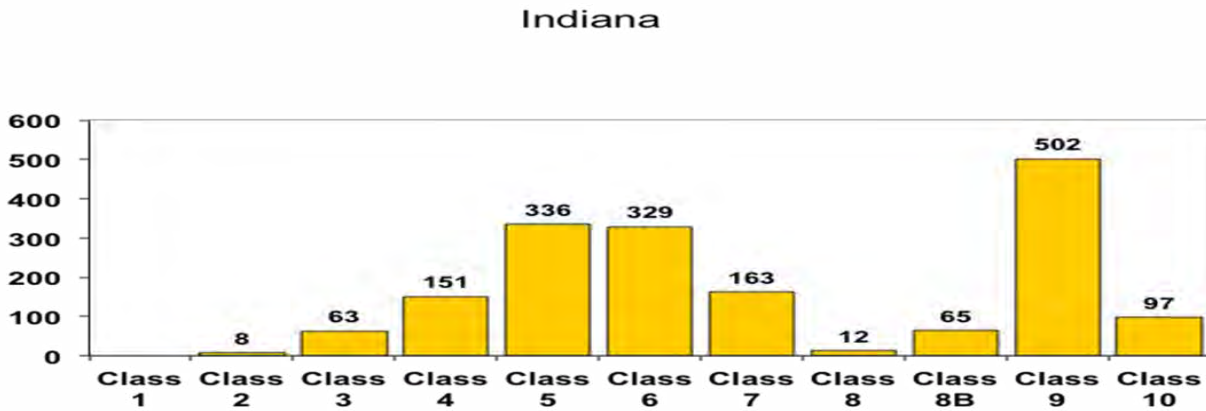

In July 2017, the ISO rated the BFD a 2 out of 10. An ISO rating is a measure of three important aspects of a Department’s ability to respond to a fire. Those aspects are:

1. Emergency Communications Systems – Accounts for 10 points
2. Fire Department – Accounts for 50 points
3. Water Supply – Accounts for 40 points

Those areas annexed by the City and receiving City fire protection service are expected to benefit from the City’s superior ISO rating. In contrast, the MFPD’s ISO rating is 5. Those annexed areas that are not permitted to receive Bloomington fire protection service will continue to receive the less favorable MFPD’s ISO rating.

There are over 1,700 Departments in the State of Indiana. An ISO of 2 is in the top 1% of these rankings. The following are charts provided by ISO showing ISO ratings across Indiana:

What does a higher ISO rating mean for a resident? ISO ratings are an indicator of a Department’s ability to extinguish a fire. ISO ratings, therefore, are utilized by insurance companies to, in part, set insurance premiums (it is noted that insurance companies use other factors as well). In general, a lower ISO rating can mean lower insurance premiums.

**Fire Service to Richland and Salt Creek Township Annexation Areas**

The map below identifies the proposed annexation areas that would receive fire protection service from the City. If Areas 1A and 2 are annexed, the provision of services to the annexed areas of Richland and Salt Creek are expected to result in a station upgrade, a standard crew (3 captains, 3 chauffeurs, 9 firefighters, and 1 Deputy Fire Marshall), and a new engine. These costs can be allocated proportionately to the fire service areas that would be acquired within Areas 1A and 2, and are therefore allocated based on the assessed values to the proposed new fire service areas.

Non-capital services of the Fire Department would be provided in the annexation areas in which Bloomington is permitted to provide fire protection services within one (1) year and the capital services would be provided in each annexation area within three (3) years after the effective date of the annexation in a manner equivalent in standard and scope to those services provided within the corporate boundaries regardless of similar topography, patterns of land use, and population density.

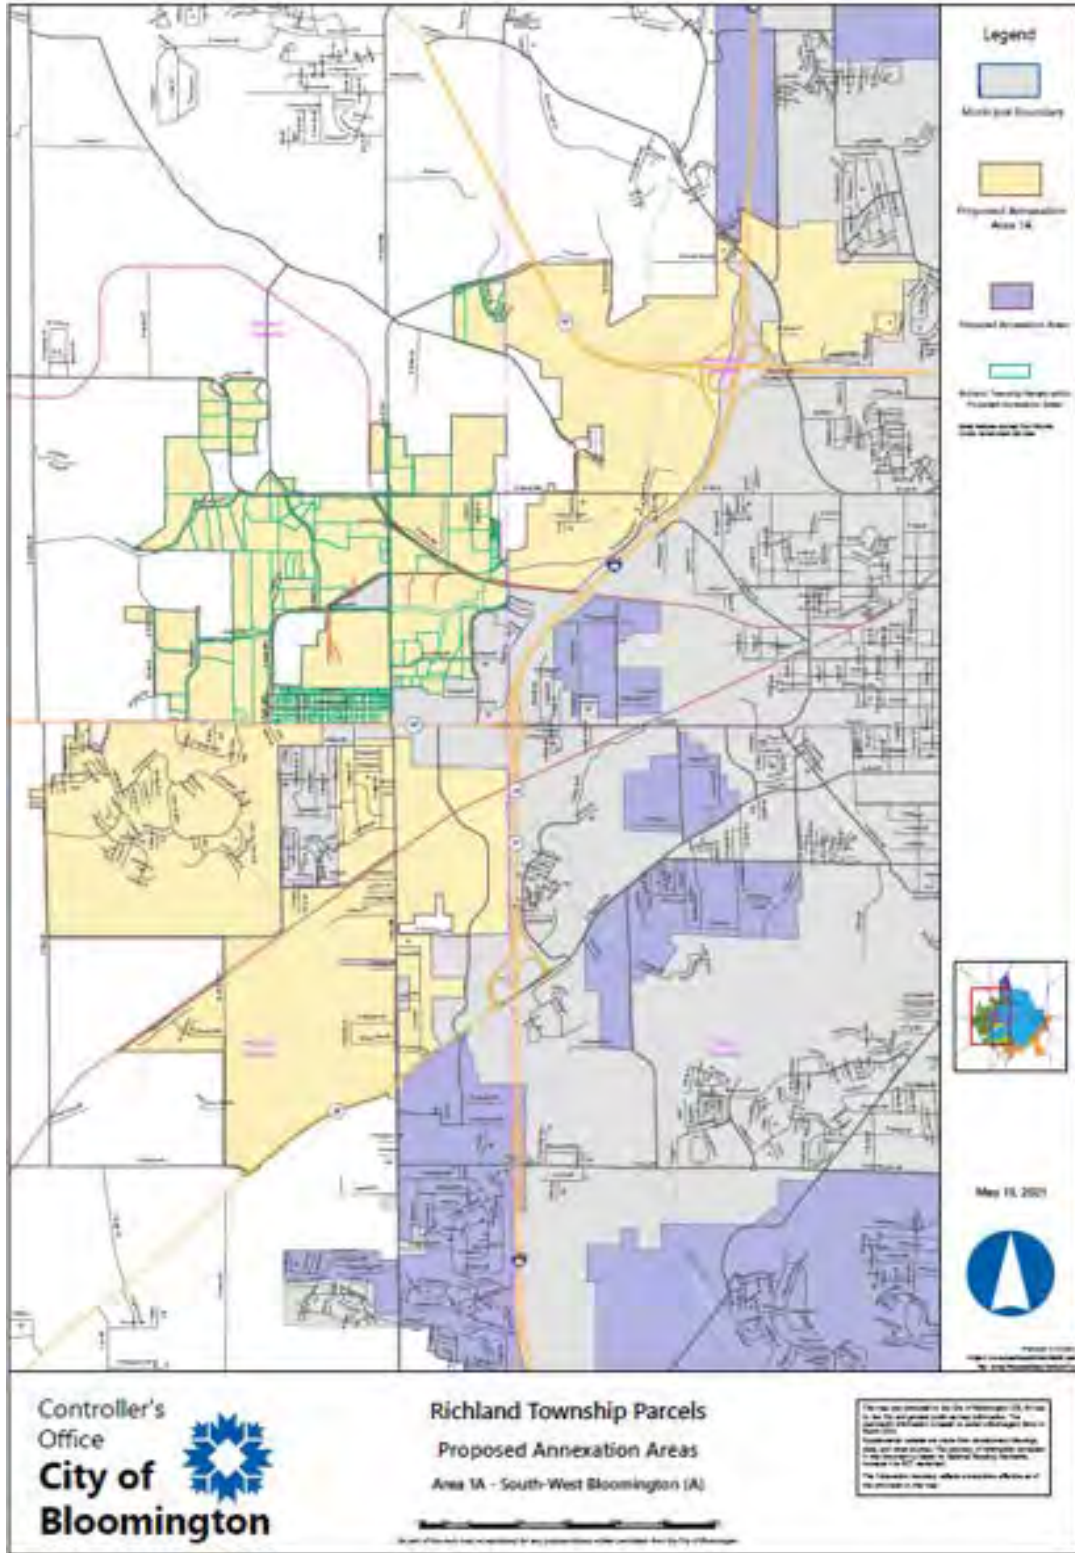

Please reference Fire Department detailed cost estimate data on the following pages:

|              |                 |           |          |
|--------------|-----------------|-----------|----------|
| <b>Area:</b> | <b>Combined</b> | <b>1A</b> | <b>2</b> |
| <b>Page:</b> | 94              | 203       | 287      |

### Fire Service if Bloomington City Served All Annexation Areas

The City has also developed a plan to serve all annexation areas if called upon to do so. Notably, the City's estimated fire rate is \$0.1250, compared to MFPD's rate of \$0.3890. Annexation areas would therefore experience a lower fire protection tax rate – about a third of the cost - and for a better rated service according to ISO data, if the City were permitted to provide fire protection to those areas. The analysis of department needs under such a scenario is set forth below.

#### Non-Capital Costs:

For each station added, the Department would require the following personnel increases, plus other operating costs:

|              |   |
|--------------|---|
| Captains     | 3 |
| Chauffeurs   | 3 |
| Firefighters | 9 |

The Department expects that two (2) fire stations would be required if it were permitted to serve all annexation areas, one in the southeast and one in the southwest side of the City, as well as a renovation of station 2. The new southwest station would be generally connected to the annexation of Area 1A, 1B, and 1C, and the southeast station would be generally connected to the annexation of Area 2, though both stations would provide overall service improvements to the benefit of all the annexation areas. The renovation of the existing station 2 would be similarly generally connected to the annexation of Areas 1A, 1B, 1C, 3, 4, and 5, but would again provide overall service improvements for all areas.

The timing for bringing the new fire stations online, if the City were permitted to take over fire protection to all annexation areas, would be as follows:

|      |             |
|------|-------------|
| 2024 | Renovation  |
| 2025 | New Station |
| 2026 | New Station |

The City also recognizes that there are existing fire stations in the annexation areas owned by other fire departments that could potentially be utilized by the City. The City would engage with other fire departments to determine the best method for utilizing these facilities, including an agreement to transfer existing facilities to the City. Such a solution could substitute for the construction of new facilities. Similarly, the City would work with other departments on the potential transfer of existing equipment or apparatus. Finally, while the City cannot guarantee employment to any individual or group, when hiring for

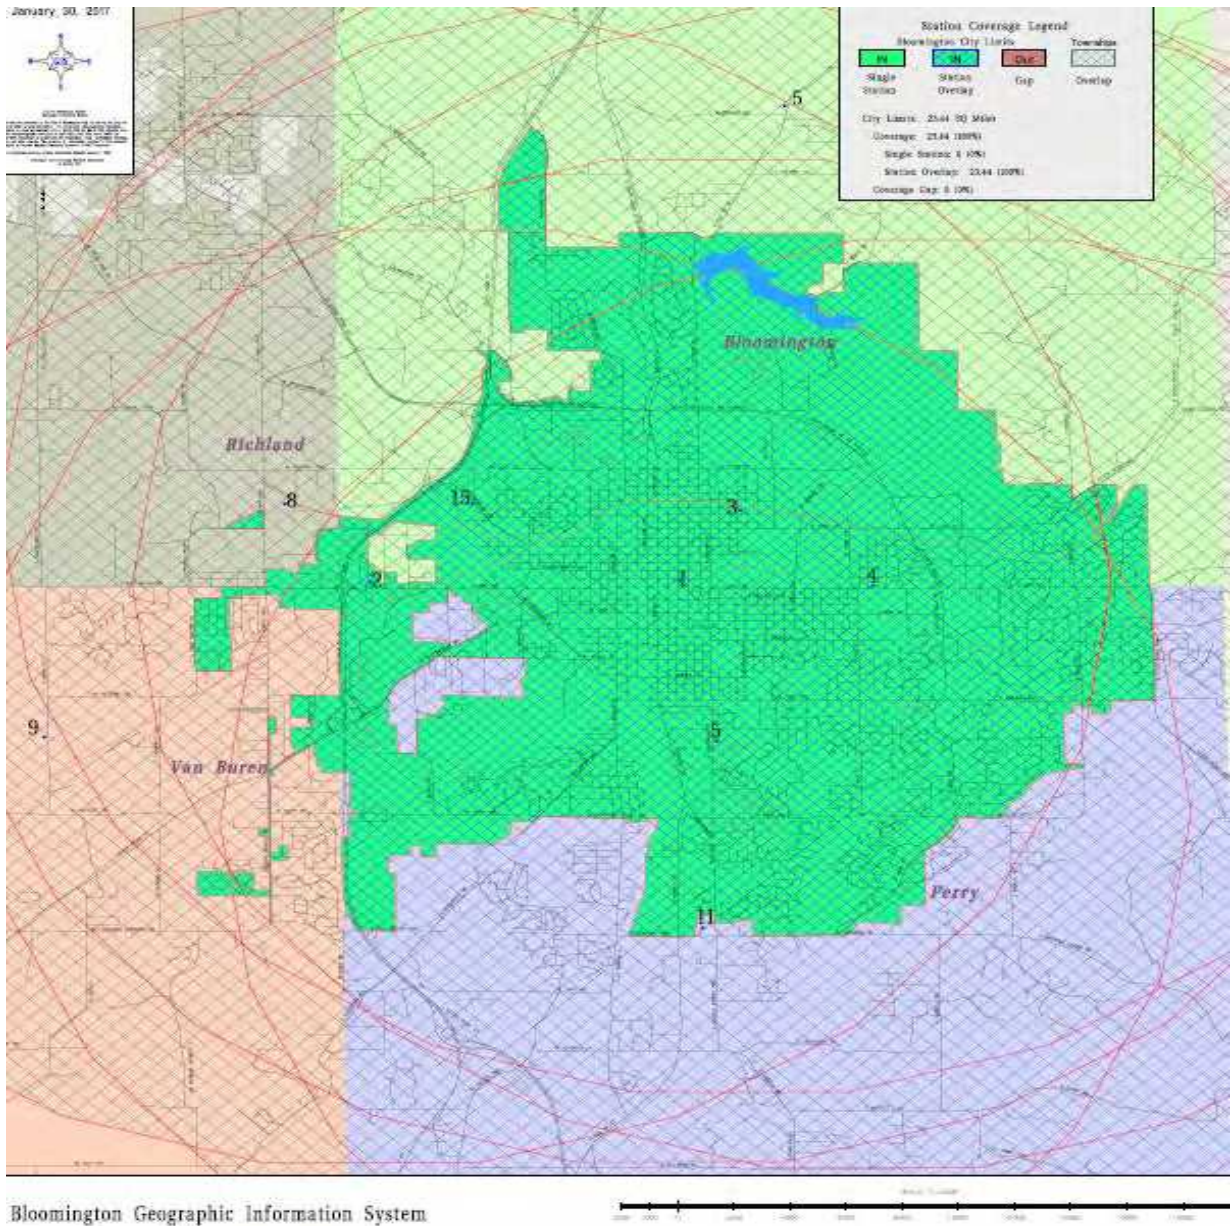

new positions created as a result of the annexations, the City anticipates it would provide a point preference in the scoring system to experienced and qualified firefighters whose jobs were impacted by the annexations. This approach is permitted by IC 36-8-4-10(b)(3), and would be applied by the Bloomington Board of Public Safety as a part of the normal scoring system in new hires by the BFD.

Regardless, the non-capital services of the Fire Department would be provided in each of the annexation areas, if the City were permitted to do so, within one (1) year and the capital services would be provided in each annexation area within three (3) years after the effective date of the annexation in a manner equivalent in standard and scope to those services provided within the corporate boundaries regardless of similar topography, patterns of land use, and population density.

## City of Bloomington Utilities Department

City of Bloomington Utilities (“CBU”) provides for the collection and treatment of wastewater and the treatment and distribution of water, both inside and outside the City of Bloomington. CBU also provides storm water management services inside the City.

CBU already provides sewer and water services within the annexation area as evidenced by the miles of pipes in the ground, the building permits, and the waivers.

CBU imposes an additional 12% surcharge to utility customers outside of the City for residential sewer service. For a standard residential customer @ 4,000 gallons a month, this would result in an approximate savings of \$69.36 per year for annexed taxpayers that receive CBU services.

The City and the County have each established separate storm water fees. The City’s fee is lower than the County’s fee. The annual Equivalent Residential Unit (“ERU”, fee difference for a residential customer is as follows:

|            |                |
|------------|----------------|
| City       | \$71.40        |
| County     | <u>\$75.77</u> |
| Difference | \$ 4.37        |

Unlike the County storm water fee that is imposed on projects all over the County, the fees generated from the annexation area will be directed to be spent inside of the City and the annexation areas.

Capital water and sewer service has already been extended to significant portions of the Annexation Areas, and additional capital extensions can be made at the time development proposals are received. Non-capital water and sewer maintenance is already provided in existing service areas.

Specifically, regarding the City’s current policies for extending water and sewer to new development or unserved areas within the City:

Water:

1. The City follows the Indiana Utility Regulatory Commission’s (IURC) main extension rules regarding water (170 IAC 6-1.5), where the property owner is typically responsible for the cost, less a three (3) year credit based on the estimated usage and applicable subsequent connector fees.

Sewer:

2. The City follows the IURC's main extension rules regarding sewer (170 IAC 8.5-4). The City additionally follows Section 24 of the Utility Service Board's Rules, Regulations, and Standards of Service, in which county territory is designated either Area A or B. Although Area A is considered a higher priority area for sewer connections than Area B, all sewer extensions beyond the City's boundaries are at the discretion of the Director and the Utilities Service Board and generally require an agreement for voluntary annexation. Upon annexation, the annexed areas will be included in Area A and available for connection, provided connections are feasible.

In addition, the City has already established the non-capital financial systems necessary to pay bills, send invoices and adjust utility rates. The cost of adjusting those internal systems to reflect the connection of new customers in the annexation areas is projected to be nominal and to be covered by the current revenue policies of the municipal utility. The utility costs overall are expected to be borne by the system of utility rates and charges, but the municipality projects that all expenditures to extend utility services will be borne by the customers receiving the service extensions.

As noted above, the City has already extended non-capital water and sewer services to portions of the Annexation Areas, and the City is prepared to add new capital sewer services following annexation. CBU has already assumed jurisdiction over capital water and sewer facilities in the annexation areas, and all non-capital municipal sewer services have been extended in a manner equivalent in standard and scope to the non-capital services which the CBU provide to the other areas within the corporate boundaries of the City.

The storm water fees will be a new revenue to the utility and will provide \$389,042 annually for operations. Just as is done in the City currently, these fees will be recorded in the City's ledger and used for storm water projects and maintenance.

It is important to note that without annexation, wastewater management in support of a growing population outside the City's boundaries would mean:

- Larger lot sizes for septic, creating sprawl
- Small "package" wastewater plants, which can lead to surface-water contamination when poorly managed, or
- A comprehensive sewer territory agreement between the City and the County, which could still be considered post-annexation.

CBU has studied the annexation areas and estimates that the City would add a four-person crew, two (2) new storm water technician, a service truck, dump truck and backhoe, along with tools and safety equipment, if all the areas are annexed. These costs

would likely be incurred proportionally based on the annexation of each of the areas and are therefore allocated to each area based on assessed valuation.

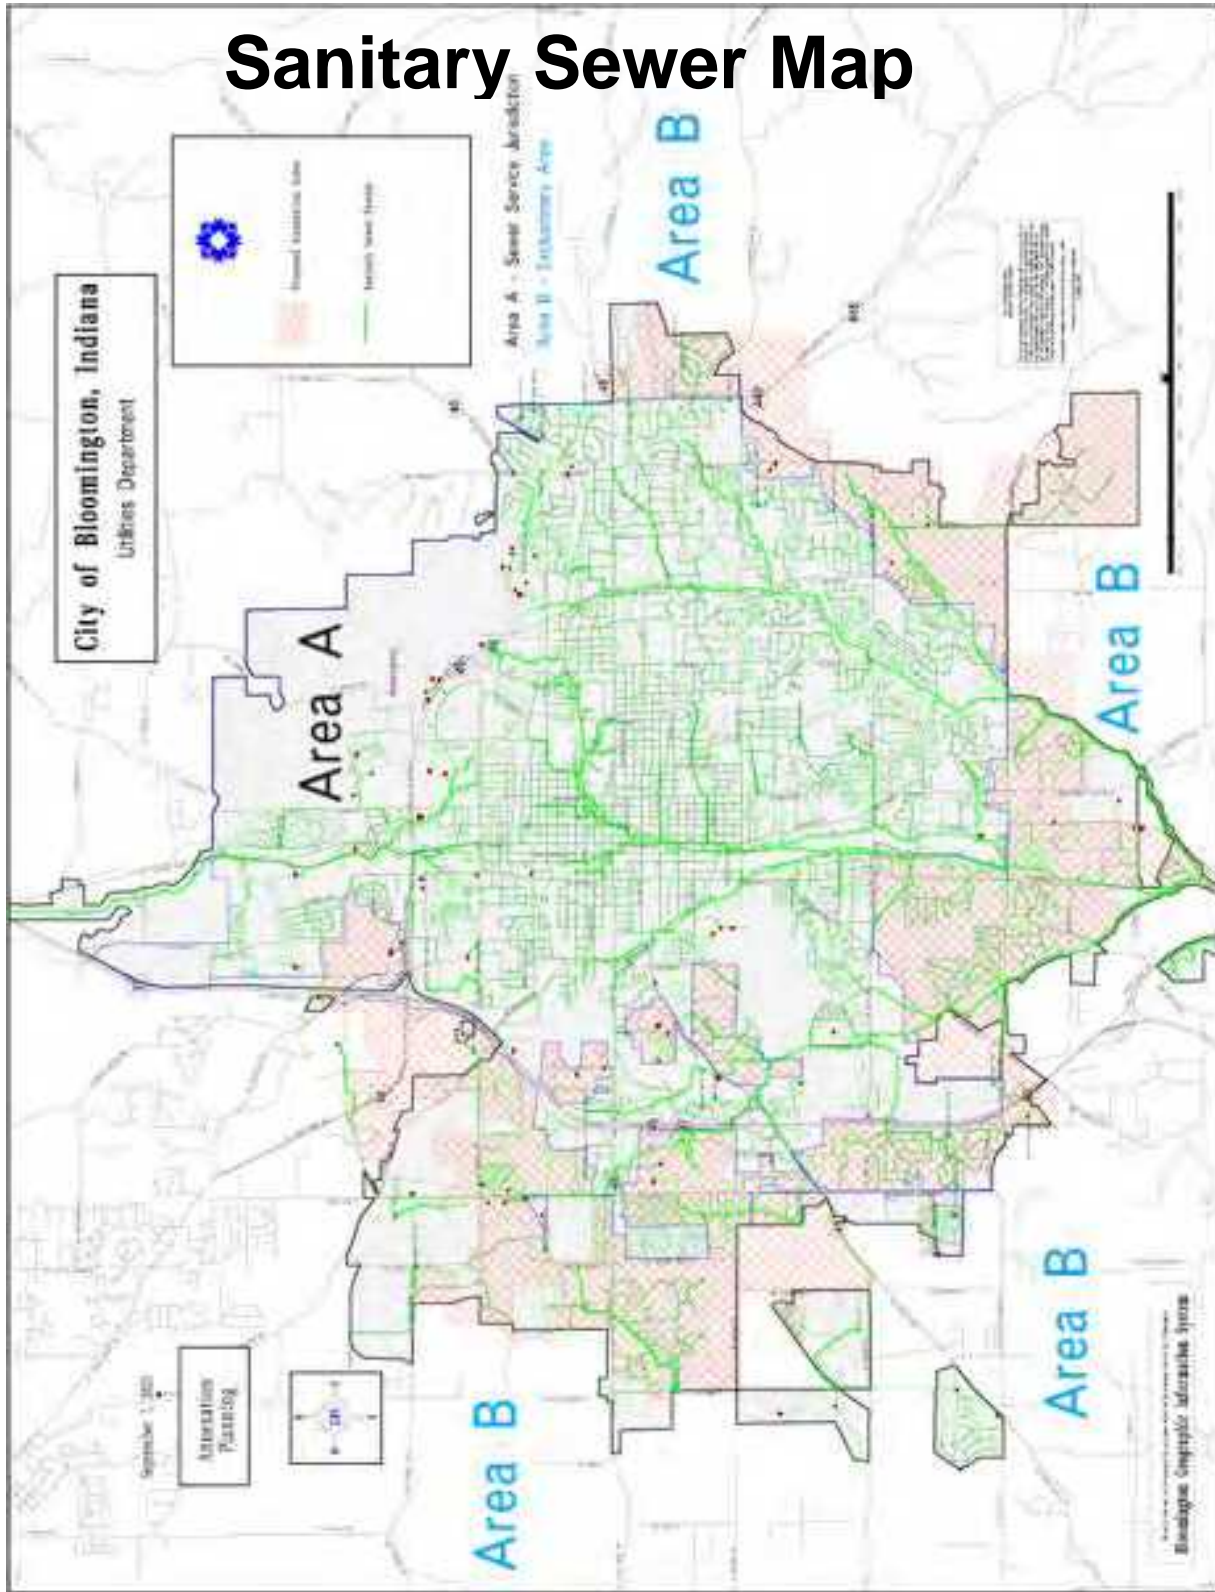

Regardless, the non-capital services of the CBU will be provided in each annexation area within one (1) year and the capital services will be provided in each annexation area within three (3) years after the effective date of the annexation in a manner equivalent in standard and scope to those services provided within the corporate boundaries regardless of similar topography, patterns of land use, and population density.

## Transit Department

The Bloomington Public Transportation Corporation (BT) is the public transit provider to the City of Bloomington. Two (2) forms of public transportation are provided including fixed route service available to the public using nine (9) routes, and BT Access service which is a demand response service for persons with disabilities.

Upon annexation, the annexation area will be added to the transit district.

BT will evaluate ridership and service needs and determine whether new or amended routes are appropriate in the same manner as the City's existing routes. Any changes will be subject to a public hearing process and policy making decision of the transit board.

BT notes that Ivy Tech has been identified as one potential area for fixed route service expansion. Costs associated with Ivy Tech route creation/enhancement have therefore been allocated entirely to Area 1A.

BT has also identified the South Rogers/Fullerton Park Area for potential route enhancement. These enhancements will serve area 1B. Associated costs have, therefore, been allocated entirely to 1B.

BT would also provide BT access service to all newly annexed areas.

The Department anticipates that all other non-capital and capital costs will be incurred based on each Area's proportionate share of the total net assessed value. Such costs have been allocated accordingly.

The following chart shows the cost break-down by Annexation Area for year 1. Non-capital costs are projected to increase 3% yearly due to account for inflation:

| BLOOMINGTON TRANSIT - ANNEXATION COST ESTIMATES |                        |                        |                    |                      |                    |                    |                     |                        |

Note (1): The bond examples below are not final. The City intends to fund the debt(s) with Annexation revenue (no new taxes)

Note (2): The City will determine timing for bond(s) issuance closer to when Annexations become effective (within the first 3 years of Annexations)

Note (2): Net revenue (first three years) in areas 1A, 1B, 1C, 3, 4, and 5 will be placed in an impoundment fund(s)

Overlapping Units in the Annexation Areas

**Monroe County Impact Projections**

September 10, 2021

**City of Bloomington**

Overlapping Units in the Annexation Areas

**Monroe County Impact Projections**

September 10, 2021

**County Street Funding Impact:**

MVH and LRS combined budgets times 12.1% (road mile reduction)  
\$ 1,012,543

MVH and LRS combined impact from annexation  
\$ 839,016

Revenue surplus /(deficit) based on service reduction: \$ 173,527

This implies that the County will have more revenue than it needs to maintain its remaining roads (based on current cost/mile)

**1. MVH Distribution:** 53% to INDOT; 32% to Counties; and 15% to Cities and Towns

County Distribution: 5% Equal; 65% road mileage, 30% vehicle registrations

|   |       |                                   |
|---|-------|-----------------------------------|
| County-wide road miles                    | 714   | Per AOS 2021 Distribution Factors |
| Less: Annexation road miles               | 86.38 |                                   |
| Equals: County Road miles post annexation | 628   |                                   |
| % reduction in road miles                 | 12.1% |                                   |

|   |    |           |
|---|----|-----------|
| MVH Distribution (Part is not controlled by this formula) |    |           |
| 2020  | \$ | 4,145,113 |
| Road miles based  |    | 65%       |
| Portion of MVH based on road miles                        | \$ | 2,694,324 |
| Times: % reduction in road miles                          |    | 12.1%     |
| Equals: Projected MVH Impact:                             | \$ | 325,910   |

**2. Wheel Tax Distribution**

Distribution is based on a two step process: Same as LRS

Step 1: determines the county total allocation for each county on the basis of passenger car registrations

Step 2: Distribution formula for counties over 50,000 population

Distribution: 60% Population; 40% road mileage

|   |       |  |
|---|-------|--|
| Monroe County:                            |       |  |
| Road miles                                | 714   |  |
| Less: Annexation road miles               | 86.38 |  |
| Equals: County Road miles post annexation | 628   |  |
| % reduction in road miles                 | 12.1% |  |

**City of Bloomington**

Overlapping Units in the Annexation Areas

**Town of Ellettsville Impact Projections**

September 10, 2021

**1. MVH Distribution:** 53% to INDOT; 32% to Counties; and 15% to Cities and Towns

City/Town distribution is 100% population

Total City/Town road miles is over 18,700. The annexation results in an increase of the denominator of .005

|                       |    |         |
|-----------------------|----|---------|
| MVH Distribution      | \$ | 242,107 |
| Times: Factor         |    | 0.5%    |
| Equals: MVH reduction | \$ | 1,211   |

**2. Wheel Tax Distribution**

Distribution is based on a two step process: Same as LRS

Step 1: Determines the county total allocation for each county on the basis of passenger car registrations

Step 2: Distribution formula for counties over 50,000 population

Distribution: 60% Population; 40% road mileage

Road mile based distribution remains the same. Road miles goes from County to City.

Population based distribution remains the same. Population goes from County to City.

Note: Projected LIT Certified Shares distributions assume a county-wide increase of 3% per year. Levies are projected to grow by a factor of 1.039, 3.9%, per year (average State Factor 2018 - 2022).

Note: 2022 LIT allocations are low (for most units across the State) due to the 2-month reduction of collections. FY 2020 collections ran 2-months longer, which will shorten FY 2021 collections by 2-months.

Note: Projected LIT Certified Shares distributions assume a county-wide increase of 3% per year. Levies are projected to grow by a factor of 1.039, 3.9%, per year (average State Factor 2018 - 2022).

Note: 2022 LIT allocations are low (for most units across the State) due to the 2-month reduction of collections. FY 2020 collections ran 2-months longer, which will shorten FY 2021 collections by 2-months.

Tax Rate Comparisons - Bloomington Taxing Districts vs Unincorporated Areas

September 10, 2021

## City of Bloomington

Revenue Projections - Methodology  
September 10, 2021

The following are the assumptions and methods used to calculate revenue projections:

### Population and Road Mileage Table - By Annexation Area

| Area         | NAV Est                 | % of Total NAV | Population Est | % of Total Population | Road Miles   | % of Total Road Miles |
|--------------|-------------------------|----------------|----------------|-----------------------|--------------|-----------------------|
| 1A           | \$ 393,330,406          | 34%            | 3,987          | 28%                   | 33.01        | 38%                   |
| 1B           | \$ 300,608,732          | 26%            | 4,566          | 33%                   | 24.75        | 29%                   |
| 1C           | \$ 6,025,709            | 1%             | 79             | 1%                    | 0.68         | 1%                    |
| 2            | \$ 361,628,847          | 32%            | 3,653          | 26%                   | 23.96        | 28%                   |
| 3            | \$ 12,585,692           | 1%             | 366            | 3%                    | 1.11         | 1%                    |
| 4            | \$ 11,137,686           | 1%             | 420            | 3%                    | 1.07         | 1%                    |
| 5            | \$ 70,277,368           | 6%             | 956            | 7%                    | 1.8          | 2%                    |
| <b>Total</b> | <b>\$ 1,155,594,440</b> | <b>100%</b>    | <b>14,027</b>  | <b>100%</b>           | <b>86.38</b> | <b>100%</b>           |

Assumed Statewide Growth Factor (Max Levy) = 1.039 (Equals the average 2018 - 2022)

Assumed net assessed value growth = 3% per year

Bloomington City property tax rate projection (all Townships except Richland and Salt Creek) = \$0.7049

City will provide fire protection to Richland and Salt Creek Township parcels (Area 1A and Area 2) @ \$0.1250 = property tax rate of \$0.8299

Annexation Adjustment (Max Levy) based on net assessed value x rate/100

City intends to reestablish CCD back to its max rate of \$0.04790 - limited based on 3-year rolling calculation

Property Tax Cap Credits based on individual Annexation Area Databases

### 2010 Census Data Used for Populations

Bloomington City = 80,405 + 14,262 from annexations = 94,667

Monroe Unincorporated = 50,993 - 14,262 = 36,731

### Local Income Tax ("LIT") Methodology

Monroe County LIT is allocated using the prior year total property tax levy, excluding debt, & prior year income tax distribution

Since the calculation is done in arrears, levy adjustment impacts are delayed until Pay Year 2, technically the third year of Annexation.

LIT is allocated to Annexation Areas based on "% of Total NAV"

County-wide aggregate LIT assumed to grow by 3% per year

Statewide Max Levy Growth Factor assumed for all units every year

Certified Shares go to most units (except schools, which receive their share through State Funding)

### Motor Vehicle Highway ("MVH") Methodology

State Factors (out of the control of individual units) were left out of the MVH estimates

65% of MVH Distributions are based on road miles. The remaining 35% is population based

% change in County Road Mileage x 2020 County MVH Distribution of \$4.15 million + % change in population x County MVH = \$342,738

Allocated to Areas based on "% of Total Population and % of Total Road Miles"

Ellettsville and Stinesville were adjusted by a factor of approximately 0.005, based on 2020 distribution, or \$1,211 and \$38, respectively

Ellettsville and Stinesville adjustments allocated to City using "% of Total Population"

### LRS Methodology

40% of LRS Distributions are based on road miles relative to State-wide Unincorporated road miles. The remaining 60% is population based

40% x % change in State-wide unincorporated road miles x 2020 Monroe County LRS of \$1.16 million = \$645.40

Allocated to Areas based on "% of Total Road Miles"

60% x % change in population x 2020 Monroe County LRS = \$194,382 from County to City. Allocated to Areas based on "% of Total Population"

### Wheel Tax Methodology

Wheel Tax uses the same distribution method as LRS = 60% population and 40% road miles

60% x % change in population x 2020 Wheel Tax of \$1.4 million = \$246,917. Allocated to Areas based on "% of Total Population"

40% x % change in road miles x 2020 Wheel Tax of \$1.4 million = \$74,869. Allocated to Areas based on "% of Total Road Miles"

## City of Bloomington

Revenue Projections - Methodology  
September 10, 2021

### Motor Vehicle/Aircraft and Commercial Vehicle Excise Tax Methodology

Vehicle excise taxes are based on the number of registrants, based on BMV data for 2020.

Monroe Passenger Registrations = 75,700

Monroe Other Registrations (Commercial) = 38,747

Revenue increases to the City were calculated as proportional to the change in population, relative to distributions the City received in 2020

Total registrants \* 80,405 City Pop/137,974 Monroe Incorporated Pop x (1 + (14,262/80,405)) = 18% increase to City registrants

18% x 2020 Excise = \$272,725 additional to City. 18% x CVET = \$18,904 additional to City. Allocated to Areas based on "% of Total Population"

### FIT, ABC Taxes, and Cigarette Tax Methodology

These revenues were allocated to Areas based on "% of Total Population," as each is, distributed on a per-capita basis

2020 distribution amounts were used x % change in population

### Storm Water Fees

This is a rough estimate based on the number of outside utility customers that will transition to inside utility customers post-annexation

City's current fee is \$5.95/month for single family residential units.

Other units are based on run-off proportional to single family unit (equivalent units)

The majority of the parcels being considered for annexation are already within the City's Utility Services Area

### Bloomington Transit

Revenues were allocated using the same methodologies used to allocate to the City

Based on Transit pro-forma property tax rate relative to total pro-forma property tax rate, approximately 5% of total rate

### Inputs

|   |             |
|---|-------------|
| Monroe Unincorporated Population          | 50,993      |
| Monroe Incorporated Population            | 137,974     |
| Bloomington City Population               | 80,405      |
| Bloomington Population Increase           | 14,027      |
| State-wide AVGQ (Yearly)                  | 3.9%        |

## City of Bloomington - Annexation

Revenues Over Costs

All Departments Combined - Area 2: South-East Bloomington Annexation Area

September 10, 2021

Net unallocated revenue through the first three (3) years will be placed in an impoundment fund(s)  
Impoundment funds will be used to enhance services to the respective area

## City of Bloomington

Individual Parcel-by-Parcel Impacts

September 10, 2021

As Part of preparing the Annexation Fiscal Plan, complete parcel lists for each Annexation Area containing the following information can be found at <https://bloomington.in.gov/city/annexation>, and are incorporated herein by reference:

- Owner Name
- Parcel ID Number
- Assessed Value
- Existence of a Sewer Waiver

In addition to the above information, property owners will be able to the projected property tax increase due to the Annexation.

# City of Bloomington

## Area #1A: South-West Annexation Area - Tax Impacts Analysis

Note (1): This section shows the inc/(dec) in tax bills due to differences between township fire protection rates and the Monroe Fire Protection District fire rate

| Owner Name   | Parcel #                 | Waiver | Annexation Area | AG | 2020 Pay 2021 Gross AV | 2020 Pay 2021 Deductions /Exemptions | 2020 Pay 2021 NAV | Pre-Annex 2020 Pay 2021 Prop Tax Rate | Post-Annex Prop Tax Rate | Pre-Annex Tax Bill | Post-Annex Tax Bill | Net Tax Bill Increase Due Solely to AV Growth (12% - Aggregate over 4 years) | Net Tax Bill Increase Due to Difference Between Fire Rates (1) | Net Tax Bill Increase Due to Annexation | Total Post-Annexation Net Tax Bill Increase | Benefit 1 Yearly Sewer Bill Savings (@ 4000 Gal/Month) | Benefit 2 Yearly Fire Protection (Water Surcharge) Savings | Post-Annex Tax Bill Inc/(Dec) Net of Benefits |
