 7 DIRECT EXAMINATION,
 8 QUESTIONS BY ANDREW M. MCNEIL:
 9 Q Could you state your name for the record please?
 10 A Harry -- full legal name; right? Harry E.
 11 Ferris Jr. I just go by Harry Ferris. Father
 12 is passed away. Some attorney told me I could
 13 drop the Jr.
 14 Q Well, Harry, my name Andrew McNeil. I'm one of
 15 the attorneys for is the City of Bloomington in
 16 this annexation remonstrance case. Have you
 17 ever been through a deposition before?
 18 A Yes.
 19 Q When most recently?
 20 A Probably been 25, 30 years. I worked for big
 21 trucking companies. We were always suffering
 22 litigation.
 23 Q Well, the process hasn't changed. Maybe the
 24 technology has. So you understand, your role
 25 here is to answer my questions as completely and

1 truthfully as you can; right?
 2 A Yes.
 3 Q If you don't understand my question, will you
 4 let me know?
 5 A I'll ask for clarification.
 6 Q If you need me to rephrase it, just speak up,
 7 let me know.
 8 A Right.
 9 Q And if you answer it, I will assume you
 10 understood it. Is that fair?
 11 A Fair.
 12 Q We're trying to get you out in about 45 minutes.
 13 A All right.
 14 Q But even so, if you need to take a break for any
 15 reason, will you let me know that?
 16 A Sure. Certainly.
 17 Q What is your address?
 18 A 4132 West Broadway Avenue, Bloomington. 47404.
 19 Q Is that in Annexation Area 1A?
 20 A Yes.
 21 Q Does anyone else live at that West Broadway
 22 address with you?
 23 A No. When this all started -- my wife is
 24 deceased. I lost my wife two years ago. So,
 25 yes, she was living there with me.

Page 6

1 Q Not currently --

2 A Currently, I'm solo.

3 Q I'm sorry for your loss.

4 A Thank you.

5 Q Did you or your wife at the time sign a

6 remonstrance petition opposing the annexation?

7 A I believe only one signature per property. So

8 my signature.

9 Q You signed it?

10 A Yes.

11 Q How long have you owned the 4132 West Broadway

12 property?

13 A Since October of 2013. Maybe the end of

14 September. Somewhere in there. So 10 plus

15 years.

16 Q Do you own any other property in either Area 1A

17 or 1B?

18 A No, I do not.

19 Q Do you have any plans to move?

20 A No, I do not, currently. I just --

21 Q Sure.

22 A Not trying to be difficult.

23 Q No, I appreciate that. Do you work currently?

24 A Yes.

25 Q Where did you work?

Page 7

1 A Bloomington Transit.

2 Q And how long have you worked there?

3 A Ten years.

4 Q To get from Bloomington Transit from your home,

5 what route do you take?

6 A Basically Broadway to Western Avenue to 3rd

7 Street to Patterson, to Grimes.

8 Q What do you do for Bloomington Transit?

9 A Bus operator. Part time.

10 Q Do you have any other employment?

11 A None.

12 Q If you work part time, do you have a regular set

13 schedule from week to week?

14 A Yes.

15 Q What is your schedule?

16 A Basically, 7:05 a.m. to 12:30 Monday, Tuesday,

17 Thursday, Friday. I have Wednesday off. Again,

18 part time. Approximately, 22 hours and a

19 fraction. I just round it down to 22 hours.

20 Q Other than working at Bloomington Transit, do

21 you do anything else within the city limits?

22 Like, do you get -- do you go shopping, get

23 groceries, eat at restaurants within city

24 limits?

25 A On occasion. Do you need specifics?

Page 8

1 Q If you could ballpark?

2 A Kroger. I buy my gas at Kroger. Shop at

3 Kroger. They call it Highland Village, which is

4 on the west side, but it's in the city. I use

5 the Planet Fitness on West 3rd Street in

6 Whitehall Plaza. From time to time, I shop at

7 Menander. I believe that's in the city. Shop

8 at Walmart, but that's county.

9 Q Do you ever go to the city parks for any reason?

10 A No, but when I -- I lived in the city for 17

11 years. So I did go to parks and park functions

12 and I had younger children.

13 Q When you lived in the city, where did you live?

14 A Paddington Court, which is down off of Allendale

15 in Sherwood Oaks. There's a Sherwood Oaks and a

16 Sherwood Oaks II.

17 Q You were in Sherwood Oaks?

18 A Sherwood Oaks. My back fence line was the --

19 for a while, was the boundary between the city

20 and the county. I woke up one morning, read in

21 the paper that they had been annexed. That was

22 during mayor Fernandez's term. So I asked my

23 neighbor and he wasn't aware that he got annexed

24 by the city.

25 Q Do you attend any other events within the city

Page 9

1 or any events at Indiana University sporting

2 events or other performances?

3 A No, I use state property, but I have attended

4 one football game in the last -- probably last

5 20 years. No basketball games. And I have

6 attended the opera at the Musical Arts Center

7 once last fall.

8 Q So if you were thinking the about your home on

9 West Broadway, if you were to call the fire

10 department -- you had a kitchen fire or

11 something -- what's your understanding of which

12 service provider would be the primary responder?

13 A Primary responder would be Ellettsville 'cause

14 fire department is under contract to our

15 township, and it's approximately a long mile,

16 less than 2 miles away just off of Curry.

17 And I'm glad you brought that up because

18 when the city had an orientation for annexation

19 downstairs, I attended that. And one of my

20 questions was going to be to the fire

21 department. They had a booth, the police

22 department had a booth, and I wanted to ask what

23 their response time would be. Now they

24 published in the paper that it would be seven

25 minutes, but if you've ever sat at West 3rd at

Page 10

1 peek traffic time, they can't get from down
 2 there -- now their closest -- the city's closest
 3 station is on Franklin, over there by McDonald's
 4 and Interstate 96. I sit and watch the fire
 5 trucks can't get through the traffic. They're
 6 just sitting on their horns. So, again, and
 7 I -- my neighbors have called the fire
 8 department. And Ellettsville responds within
 9 three to five minutes. City says their response
 10 time is would be seven. I place it closer --
 11 and trying to be fair -- 11 minutes for them to
 12 respond across the interstate because of
 13 traffic.

14 Q Do you know what rating the Bloomington fire
 15 department has?

16 A Last I -- I'm glad you brought that up 'cause
 17 again -- well, the night they had orientation, I
 18 stopped at the booth for fire department and the
 19 police, and they had parks and rec there and a
 20 few other departments. They were talking about
 21 to people. So I went around the corner
 22 downstairs and talked to the people about my
 23 taxes. And they were estimating what the
 24 increase on my taxes would be at that time.
 25 Approximately 6:15, I came back and the police

Page 11

1 and fire department personnel had all abandoned
 2 their booth. They were supposed to be there
 3 till 8:00.

4 So that was my intend questions to them is
 5 fire department response time and police
 6 department response time. Now I know for a fact
 7 that the police do not have their -- to my best
 8 observations, are not -- are only responding to
 9 911 calls. Working for the bus company, I've
 10 sat down at the Transit Center at 3rd and
 11 Walnut, which is just a block west of the police
 12 station at Lincoln and 3rd Street, and they
 13 all -- the police officers, due to their
 14 decreased numbers, cannot -- they sit at the
 15 police station and wait for a call and then four
 16 or five vehicles come running out either 3rd and
 17 Walnut or down the ally behind the bus station
 18 to respond to a call. So they are staged at the
 19 police station.

20 Q You mean in contrast, they are not out on
 21 patrol?

22 A Correct.

23 Q Please continue.

24 A The police chief, I have a good friend that just
 25 went through a police orientation meeting, said

Page 12

1 that they're not responding to any -- or pulling
 2 over people for traffic violations, that they're
 3 undermanned and understaffed; which my
 4 understanding, they're budgeted for 105 officers
 5 and they only have 85. So I have to question
 6 why they can't hire and retain people.

7 The current police chief, who was
 8 renominated or appointed by the new current
 9 mayor, reappointed him. But I'm going back -- I'm
 10 guesstimating -- five, six years, city council
 11 appropriated \$225,000 for the city to fix the
 12 roof on the current police station. Instead of
 13 doing that, the police chief went and bought an
 14 armored car that created all kinds of public
 15 uproar. So I feel the city is mismanaged. And
 16 the fire department, everything I hear and read
 17 in the papers and listen to on the media, is
 18 understaffed. So both police and fire
 19 department are understaffed.

20 From my experience and living in the city
 21 for 17 years, my taxes went up every two years
 22 and my services went down every two years. They
 23 went from free garbage collection to paid
 24 garbage collection. They went from putting
 25 anything at the curb -- that you put at the curb

Page 13

1 would be picked up to limitations that anything
 2 other than two cans, which you had to buy
 3 stickers -- pay stickers to have pay for.

4 We had to pay for -- so we went from free
 5 garbage service to pay garbage service to
 6 limitations on how much we could put to the
 7 curb, and any special pickups, we had to pay
 8 extra for. When I moved into the property in
 9 1996, we had free vacuum of leaves on a weekly
 10 basis.

11 Q Who provided that service?

12 A The city. And they went from weekly to monthly
 13 to once a year to total elimination of leaf
 14 collection.

15 So currently I drive a bus for City of
 16 Bloomington. The city streets aren't
 17 maintained. All the city manhole covers are
 18 uneven. And there's potholes all over the city.
 19 Now sometimes we can go through our dispatcher
 20 and point out a pothole that's getting out of
 21 hand or getting too deep.

22 Q You mean the Bloomington Transport dispatcher?

23 A Dispatcher. And request and sometimes the city
 24 responds.

25 Q Let me back up.

Page 14

1 A Okay.
2 Q My question was do you know what the current
3 fire department rating is?
4 A Oh, I'm sorry.
5 Q That's all right. We would have covered --
6 A I digress.
7 Q We would have covered all this stuff anyway
8 but --
9 A My understanding, the last I heard and I
10 wanted -- I digress because I wanted to verify
11 it. Chicago has the highest rating because,
12 when the city burnt to the ground, they improved
13 their fire department. And my understanding,
14 the city's rating is equivalent to Chicago's.
15 Now correct me if I'm wrong or you have other
16 information to update me; I haven't seen
17 anything to the contrary.
18 Q That's your understanding?
19 A Yes.
20 Q Okay. You mentioned in your answer that the
21 police chief -- you talked about a friend of
22 yours who was at a recent police orientation --
23 A Right.
24 Q -- with the police chief.
25 A Spoke very highly of the police chief, I might

Page 15

1 add.
2 Q Thank you. When you say police orientation,
3 what do you mean?
4 A Well, my friend thought it was just a general
5 overview. But the city -- the police department
6 does this every fall. It's basically a
7 recruiting session where they offer the public
8 to come in. People come in and sit down. And
9 one week, they'll have, like, the SWAT team get
10 up and give a presentation, patrol officer
11 another time. They have a judge from the court
12 to come in. It's a 12-week seminar or -- I call
13 it an orientation. But --
14 Q So it was in that context?
15 A Yes. Basically recruiting. 'Cause I've had --
16 I've known other young -- my friend is 71 years
17 old and he's not looking for a job.
18 Q What's his name?
19 A Chris Wilson. So and he --
20 Q So did Mr. Wilson convey that the police chief
21 said that they were understaffed and they were
22 budgeted for 105 but had about 85 actual?
23 A Right. And they weren't responding to -- or
24 taking care of any traffic violations. And I
25 can testify to that because on the bus, I see --

Page 16

1 Q From your observations?
2 A I'm at intersection and there's a policeman
3 sitting there and somebody runs an all-way stop
4 in front of him, and they just don't do
5 anything. And, to be fair, they've been
6 maligned, they're undermanned, they're
7 understaffed. So I don't know -- I can kind of
8 understand the hands-off approach, but people
9 are getting out of hand; so ...
10 Q Let me ask you this about the police. There was
11 a study done that City of Bloomington paid for a
12 few years ago to look at the staffing levels of
13 the police department. Are you familiar with
14 that?
15 A I believe so to the extent that there was an
16 article in the paper that was kind of giving an
17 overview of it. So somewhat familiar with what
18 you're talking about.
19 Q Your information about that study would be what
20 you read in the newspaper --
21 A Yes.
22 Q -- as opposed to reading the study yourself?
23 A Correct.
24 Q In the article you read, do you remember it
25 reporting on the ultimate conclusions or

Page 17

1 recommendations from that study?
2 A Lot of officers were hiring in and leaving. The
3 only conclusion that I recall was that they are
4 underpaid. Since then, I know city council
5 pushed through big pay raises for them and
6 possibly -- and I might not have this correct --
7 bonuses, hiring bonuses and retention bonuses.
8 Some kind of package to that --
9 Q To try to help with recruiting?
10 A Right. And retention.
11 Q And retention. I don't remember if you said
12 this or not. Might have been another witness.
13 There have been a few today. Did you say you've
14 had experience with calling -- I know your
15 neighbor had experience with Ellettsville fire
16 department.
17 Have you had experience with calling the
18 Monroe County Sheriff's Department for any
19 reason?
20 A Yes.
21 Q Did you call them to your residence? Is there a
22 particular situation?
23 A Yes.
24 Q What's the situation?
25 A I walk my dogs on street. We don't have

Page 18

1 sidewalks. And I had a fella -- I was walking,
 2 and there was a four-way stop about 10 houses
 3 down. He ran the stop sign and almost -- kind
 4 of gave me a brush back. I'm not going to say
 5 he tried to hit me. So I yelled at him. I have
 6 to add this. He had a small child in his car.
 7 Got out of his car and started swearing, cursing
 8 at me. Threatened to -- called me an old man.
 9 Threatened into beat me up, physically. I just
 10 stood there. I didn't respond in kind other
 11 than to say, "No, you ran the stop sign and I
 12 call you out on it." Got his license number.
 13 Called the deputy's sheriff's office and said
 14 "This guy ran a stop sign. Got out of his
 15 car -- I called him on it. He threatened me
 16 with bodily harm and here's his license plate
 17 number."
 18 Q And did a sheriff's deputy ever come to your
 19 house to take a further statement from you?
 20 A I didn't call 911. I called the sheriff's
 21 office direct. Talked to dispatcher deputy on
 22 duty. She told me that she had written
 23 everything down, and they didn't have a
 24 patrolman in the area right now but they would
 25 follow up on it.

Page 19

1 Q Did anyone follow up on it?
 2 A Not with me.
 3 Q So you don't know if they ever followed up with
 4 a driver?
 5 A Correct.
 6 Q Are you familiar with the organization County
 7 Residents Against Annexation?
 8 A Yes.
 9 Q What is your familiarity or understanding with
 10 that organization?
 11 A It's a nonprofit organization. It's advocating
 12 against annexation.
 13 Q Have you been involved with that organization
 14 either on a board of advisors or board of
 15 directors or holding an office --
 16 A Position, no.
 17 Q Have you attended any meetings?
 18 A I have to ask, if you don't mind, just for --
 19 they had --
 20 Q Your best recollection.
 21 A I went to the meeting at the fairgrounds. So I
 22 don't know if -- I think Margaret was there but
 23 I don't know if --
 24 Q If that was --
 25 A -- they were holding -- hosting that or not as

Page 20

1 an organization. And I went to a meeting at
 2 Van Buren Fire Department where, again, I don't
 3 know who was host -- my understanding was it was
 4 Van Buren Township was hosting that meeting, but
 5 I'm not clear on that, expressing their concerns
 6 about funding if they were annexed and having to
 7 do away with their fire department or trimming
 8 manpower and equipment. And I also attended
 9 Washington Township. Is that on North Old 37?
 10 Q You attended a meeting out there?
 11 A As well. So three. To my recollection, three
 12 meetings, public meetings, concerned with
 13 annexation. And whether the organization was
 14 hosting that or -- I don't think, the two fire
 15 departments, they were but possibly the one --
 16 but I think that was just collecting signatures
 17 at the fairgrounds.
 18 Q Let me refine my question a little bit.
 19 A Okay.
 20 Q So I understand there's monthly or semi regular
 21 meetings --
 22 A No.
 23 Q -- of CRAA?
 24 A None. Never attended or even been invited, to
 25 my knowledge. And I'm not on -- they might -- I

Page 21

1 hope I'm not speaking out of turn. I'm not on
 2 social media or Facebook or any of that. So if
 3 those, you know, invitations are extend through
 4 those social medias, I'm --
 5 Q It doesn't reach you?
 6 A -- unaware of it. Doesn't apply to me.
 7 Q Have you ever donated to CRAA?
 8 A Yes.
 9 Q How much?
 10 A \$300.
 11 Q Is that all at one time?
 12 A Yes.
 13 Q When did you do that?
 14 A Very start. Very start.
 15 Q Have you ever communicated with other people via
 16 email or text message about the annexation?
 17 A No.
 18 Q When you signed the remonstrance petition
 19 originally, did you understand you were
 20 expressing opposition to the annexation?
 21 A Yes.
 22 Q Are you still opposed to the annexation?
 23 A Yes.
 24 Q Why?
 25 A To recap, I feel the city is mismanaged. Has

Page 22

1 been ever since I moved to Bloomington in 1996
 2 under Fernandez, Kruzan ...
 3 Q Hamilton?
 4 A Hamilton, I'm sorry. And I just heard the new
 5 mayor on New Addition earlier this month, maybe
 6 the end of January. Her question was put to
 7 her -- she ran on a platform of affordable
 8 housing. And they were talking about affordable
 9 housing on this forum or news show, and somebody
 10 called in or asked a question about getting
 11 business to move to Bloomington with jobs. And
 12 her response was "No, we need to build
 13 affordable housing first."
 14 Well, I'm a commerce guy and the jobs got
 15 to come first before people can afford housing
 16 to pay for their housing. So building housing
 17 prior to getting business is counterproductive
 18 in my view. And I travel a 75-mile radius; I go
 19 to estate auctions. I go over to Columbus;
 20 they've got a big industrial park in Columbus.
 21 You can go to Mooresville; they've got a big
 22 industrial park with jobs there. And pretty
 23 much -- even in Bedford, there's some industry
 24 moving in there. Not a lot.
 25 To recap, I've lived in Bloomington 25

Page 23

1 years. They don't attract any business. They
 2 bought this technical park. This land just to
 3 the northwest of this building was all IU
 4 warehouses, which the city bought from that and
 5 were going to turn it into a technical park,
 6 which no businesses, to my knowledge, have moved
 7 in.
 8 Now on the flip side, Bill Cook was well
 9 established in this community and thought highly
 10 of Bloomington. Bill Cook businesses and he
 11 started Cook Pharmica in the city, and that's
 12 now been purchased by Catalent, who's expanded
 13 that. But that expansion was pretty much due to
 14 the COVID virus and packaging the -- the
 15 injections.
 16 Q Vaccines?
 17 A Yeah, thank you. So I don't see business being
 18 attracted here. Again, my taxes always went up.
 19 We asked Mayor Hamilton -- and I heard him asked
 20 on FIU, I heard him asked in the paper -- "What
 21 are you going to do for us when you annex us?"
 22 And he admitted. He said, "We're not going to
 23 do anything."
 24 So the city is not going to add any
 25 services. They are going to force me to

Page 24

1 purchase their sanitation service, which I pay,
 2 on an independent service, one third of what the
 3 city is going to charge me. And I have
 4 neighbors -- now I went around the city -- or
 5 around my neighborhood collecting signatures and
 6 talking to my neighbors. There's neighbors that
 7 are on fixed incomes. That cannot afford the
 8 taxes increase and/or the forced garbage
 9 service. They don't know what they're going to
 10 do. One of them lives diagonally behind. Her
 11 name is Sue May. She is willing to testify to
 12 that effect. She is semi invalid and probably
 13 couldn't come down here to testify or make
 14 testimony to you in person. But she's available
 15 to be talked to.
 16 And I had other neighbors that I talked
 17 that wouldn't sign the remonstrance because they
 18 were afraid of retaliation. Now why, didn't go
 19 into it. I didn't pry. They just said, "I'm
 20 against it but I won't sign because I'm afraid."
 21 Q Let me ask you about the mayor comment.
 22 A All right.
 23 Q Did you hear him on a program?
 24 A Yes.
 25 Q Yourself?

Page 25

1 A Yes. And quoted in the paper.
 2 Q Right. I understand quoted in the paper. But
 3 it was the mayor's voice on a radio or internet
 4 program or TV that you heard?
 5 A Right. Ask the Mayor, I believe, on FIU. Every
 6 Wednesday, they do the surrendering counties.
 7 Didn't mean to interrupt.
 8 Q That's all right. What do you remember the
 9 question being?
 10 A Just basically what new and additional services
 11 were going to be added. Specifically, there was
 12 quotes from people in the paper. Some people --
 13 now I'm on city water and sewage. Some people
 14 in Section 1A and 1B are on septic tank, and
 15 they asked specifically "Can we hook up to the
 16 city?" And the answer was "Yes. \$15,000 per
 17 property."
 18 Some people were asked "What about adding
 19 sidewalks to our neighborhoods?" Because a lot
 20 of the neighborhoods don't have it. Sidewalks.
 21 "Yes, we'll put sidewalks in but we'll charge
 22 you for them."
 23 Q This is on the radio program?
 24 A Radio -- no, on the septic tank and sidewalks,
 25 were newspaper quotes.

Page 26

1 Q Okay. I appreciate you sharing that
2 information. I just want to understand --
3 A Sure. No, I want to be clear.
4 Q I appreciate that. On the Ask The Mayor on
5 WFIU, the question along the lines of what new
6 or additional services will the city provide if
7 we're annexed. Fair summary of the question?
8 A That's my understanding as I recall.
9 Q Your testimony, I think, is in the answer, the
10 mayor said we wouldn't provide --
11 A No, additional anything.
12 Q No additional --
13 A Just fire. Fire and police. And I'm
14 assuming -- and this is a big assumption on my
15 part -- snow removal come winter.
16 Q So did you understand in his answer to be saying
17 that the annexation area landowners would
18 receive the same city services that everyone
19 else receives and nothing beyond those? Or are
20 you saying something different?
21 A I think I'm saying something different. I think
22 I'm saying they anticipated providing police,
23 fire, street services -- as in, snow removal --
24 and nothing more.
25 I think, as I recall, somebody asked about

Page 27

1 parks. And the response was there would be no
2 new or additional parks in the annexation areas.
3 Q Did you understand, though, that if the
4 annexation occurred, that the landowners in the
5 annexation area would be -- if there was a
6 charge, for example, at a city park -- they
7 would be able to pay the in-city fee as opposed
8 to the out-of-city fee?
9 A Yes. You mean as in, like, parks and rec, where
10 they have the programs?
11 Q Right.
12 A Yeah. So if we were annexed, we would be part
13 of the city and we have a right to those
14 programs. And we were told -- when we started
15 to oppose annexation, our sewage and water rates
16 went up 11 percent. Now my neighborhood is 60
17 years old. So the infrastructure is already
18 there. But the city council passed and we have
19 a surcharge of 11 percent on our bills every
20 month for being nonresident users of the
21 existing city and water sewage systems; but --
22 and I will clarify that for you -- if we
23 accepted annexation, that 11 percent surcharge
24 would go away.
25 Q So you're on the city water and sewer. Would

Page 28

1 you -- go ahead.
2 A I was just going to say, I'm aware of three
3 cave-ins on my street; two sewer and one water.
4 The one cave-in is at the corner of my property.
5 It's been there for five years. They just came
6 out, put a barricade.
7 One of the residents in my neighborhood
8 works for City of Bloomington Utilities. He
9 says they're understaffed, and they only respond
10 to emergency repairs and anything else that
11 needs to be done, the city is going to contract
12 out, third-party people, to do maintenance work.
13 Q Sorry. What's that neighbor's name?
14 A Ryan -- I'm sorry.
15 Q If it comes to you, you can add it.
16 A Yeah. I'll -- yeah.
17 Q So on the city and water service that you have
18 right now, would you be agreeable to
19 disconnecting from that service if annexation
20 does not become effective?
21 A Do I have a choice?
22 Q Just asking the question. 'Cause it's the City
23 of Bloomington Utility provides the water and
24 sewer service --
25 A Right.

Page 29

1 Q -- and you pay the fee, the monthly charges.
2 A Right.
3 Q But if annexation didn't happen and Bloomington
4 said we're not going to provide services --
5 A Well --
6 Q -- outside of our boundaries, would you be
7 opposed to that?
8 A Let me throw this curve at you. The line I'm on
9 was installed to accommodate the GE Plant when
10 it was built on Curry Pike because they wanted
11 city water. So they threw that line in. My two
12 streets back up to the old GE facility, which is
13 now Cook, which is being subleased to a chip
14 maker and was being renovated by Cook.
15 So my understanding is that the City of
16 Bloomington has a contract with Cook to supply
17 water to their facility, and I'm on that line.
18 So I don't know how they would disconnect me.
19 Q They can just disconnect your lateral, for
20 example.
21 A They can turn it off, right, from the main. My
22 utilities run down the back line. But that
23 seems counterproductive to me, but I can't deny
24 your hypothesis.
25 Q Let me ask this way: Do you think it's in your

Page 30

1 best interest to continue receiving the water
 2 and sewer services from the City of Bloomington?
 3 A Well, I pay my bills and I would expect them to
 4 continue it. Seem to say me a commitment on
 5 their part when they put those lines in, for
 6 whatever reason. I shared with you my
 7 understanding that it was put in as an offshoot
 8 to, really, sell water -- or provide water to
 9 old GE, which is now currently the Cook
 10 property.
 11 Q So you think when a sewer line is installed and
 12 there were conditions on it, those conditions
 13 should you be honored?
 14 A I believe so. And I might add that,
 15 approximately, I think it was pre COVID so we're
 16 probably going back four years, the city did pay
 17 an outside contractor to line the pipes because
 18 they were leaking sewage, specifically.
 19 So I'd like to think that they made an
 20 investment and they weren't going to just walk
 21 away from that investment. But I could be
 22 wrong.
 23 Q I asked you about why you opposed the annexation
 24 and you have given some information, city
 25 mismanaged and things like that. Is the change

Page 31

1 in property taxes to your parcel a basis for
 2 your opposition to the annexation?
 3 A At the time the number that was quoted to me
 4 downstairs, it was a 60 percent increase. It
 5 would not -- personally, I have to admit, it
 6 would not cripple me to pay the increase taxes.
 7 But I have, again -- now as I said, I walk my
 8 dogs up and down the neighborhood. There's
 9 approximately 95 houses on my two streets. And
 10 I stop and talk to anybody that wants to talk,
 11 and I've always asked their views and opinions
 12 on annexation; and there's a lot of concerned,
 13 worried people about the tax increase and the
 14 sanitation, forced sanitation services.
 15 Q Have you ever revived the City of Bloomington's
 16 fiscal plan that was adopted as part of the
 17 annexation ordinance in 2021?
 18 A I believe they sent me a copy and I read it
 19 thoroughly.
 20 Q It was like a 500-page report. Is that what you
 21 read?
 22 A Right. And there was -- now there was two.
 23 There was an economic development plan for
 24 developing 3rd Street corridor from Curry to Ivy
 25 Tech, which was online, which was very

Page 32

1 extensive. Then I received a big booklet from
 2 the city outlining their proposal. And what
 3 kind of concerned my about that was there was no
 4 outreach from the city saying -- or any public
 5 forums, "Hey, people we would like to consider
 6 annexing you. What's your thoughts?" They just
 7 sent the annexation. This is back in 2017 where
 8 they just said "We're annexing you."
 9 Q Did you get a packet --
 10 A I got a packet.
 11 Q -- from 2021 --
 12 A It wasn't 500 pages what I got. Oh, I got
 13 another one. I got one in '17 and, if it was
 14 '21, another follow up after the, you know, the
 15 state legislature stopped the first annexation.
 16 That went to the Supreme Court. It was
 17 overruled. So the city came back again and sent
 18 out certified mail --
 19 Q Right.
 20 A -- another booklet. I believe I still have
 21 that.
 22 Q The fiscal plan is a specific document. It's
 23 Fiscal Plan 5.0.
 24 A Where they went into purchasing equipment,
 25 sanitation equipment, expanding the police

Page 33

1 staff.
 2 Q Right. Financial impact on overlapping taxing
 3 authorities.
 4 A Right.
 5 Q So you've looked at that?
 6 A Yeah.
 7 Q Okay.
 8 A I'm not vastly familiar with it. But I have
 9 looked through it.
 10 Q Do you have any opinion or understanding of
 11 whether the fiscal plan that you received in
 12 2021 complies with Indiana law? Or you don't
 13 know one way or the other?
 14 A I don't know one way or the other.
 15 Q Do you have any information to suggest that the
 16 fiscal plan is, somehow, inaccurate or
 17 inadequate under Indiana law?
 18 A Inadequate under law, not to my knowledge.
 19 Q Or inaccurate?
 20 A I believe it was inaccurate only because, in
 21 previous lives, I worked in purchasing and
 22 purchasing fleets. And I did study -- having
 23 worked at Bloomington Transit, I was vastly
 24 familiar with their operation. And the
 25 sanitation -- I remember looking at the

Page 34

1 sanitation. I didn't feel they were going to be
 2 able to purchase enough equipment. They were
 3 going to expand the bus company. Didn't see
 4 that as a possibility. And the sanitation
 5 services, I didn't feel the plan was adequate to
 6 purchase new and additional equipment to expand
 7 to cover the new annexed areas.
 8 Q And that observation is based on your life
 9 experience --
 10 A Yes.
 11 Q -- work history, and things like that?
 12 A Purchasing requirements, lead time for
 13 purchasing equipment. Sanitation equipment is
 14 very specialize. Buses, there's a five-year
 15 delay in ordering new buss.
 16 (Exhibit 28 previously marked.)
 17 Q If you look at the documents on the table there,
 18 there's one with an Exhibit 28 sticker on it.
 19 The title is "Amended and Supplemented Answers
 20 of County Residents Against Annexation to the
 21 City of Bloomington's Interrogatories."
 22 Do you see that?
 23 A Yes.
 24 Q Can you turn please to page 12, Question 13.
 25 "Identify and list all facts and documents

Page 35

1 supporting your contention in the petition that
 2 the annexation is not in the best interest of
 3 owners of land in the annexation territory."
 4 Do you see that?
 5 A Yes.
 6 Q If you turn to the next question on page 13,
 7 under the supplemental answer heading, it says
 8 "See Supplemental Answer Number 5. In addition,
 9 if called to testify, the following would be
 10 asked to testify about the impact of annexation
 11 upon them and upon their businesses," and on the
 12 very last line of that paragraph, do you see
 13 your name there, Harry Ferris?
 14 A End of last line, right?
 15 Q Yes.
 16 A Okay, yes.
 17 Q So you've testified already a lot about sort of
 18 your perception of the impact of the annexation
 19 on others in your neighborhood or people you've
 20 talked to, people on fixed incomes, for example.
 21 You talked about your impression of the city and
 22 mismanagement and the staffing levels at the
 23 police, the fire, and utility. My question
 24 is -- and probably some other things too. I
 25 don't want rehash what we've already talked

Page 36

1 about.
 2 A Understand.
 3 Q Is there other information or testimony that you
 4 have to offer about why you thing the annexation
 5 would not be in the best interest of the
 6 landowners in the annexation areas that we
 7 haven't talked about?
 8 A According to my research, there's two state
 9 statutes. One is population density; we don't
 10 meet the criteria for population density. And
 11 the other is 60 percent of the land in our
 12 proposed annexed area isn't commercial.
 13 Q Have you done an analysis of the population
 14 density on a persons per square acre basis --
 15 A Personally?
 16 Q Yeah.
 17 A No.
 18 Q Have you seen an analysis?
 19 A Yes.
 20 Q Where have you seen that analysis?
 21 A Some public -- when I say "public," it's media
 22 document analysis. And I don't -- I can't cite
 23 who that was done by other than two or three
 24 times -- two different sources. Now the two or
 25 three -- I have to admit, two or three sources

Page 37

1 might have been quoting each other. I don't
 2 know that. My understanding that the
 3 population, grossly under the state criteria.
 4 Q So if it's three persons per acre, is it your
 5 recollection that it was short in --
 6 A My understanding was one and a half.
 7 Q But for both 1A and 1B? Or just one and not the
 8 other?
 9 A 1A. And the 60 percent zoned commercial,
 10 likewise, for 1A. Can't speak to 1B.
 11 Q Okay. That was what I --
 12 A That's what you wanted.
 13 Q That's what I wanted to understand. Anything
 14 else about best interest that we haven't talked
 15 about that you think would support your
 16 observation that the annexation is not in the
 17 best interest of landowners?
 18 A Again, just to reiterate: mismanagement,
 19 history of mismanagement, understaffed police
 20 and fire -- which are two biggies for me. And
 21 personally not the taxation but --
 22 Q But for other people?
 23 A Most definitely. Most definitely. Some people
 24 thought they would have to move, but I don't
 25 think they can afford to move or they would.

Indiana Rules of Trial Procedure
Depositions Upon Oral Examination

Rule 30

(e) Submission to witness--Changes--Signing.

(1) When the testimony is fully transcribed, the deposition shall be submitted to the witness for reading and signing and shall be read to or by him, unless such reading and signing have been waived by the witness and by each party. "Submitted to the witness" as used in this subsection shall mean (a) mailing of written notification by registered or certified mail to the witness and each attorney attending the deposition that the deposition can be read and examined in the office of the officer before whom the deposition was taken, or (b), mailing the original deposition, by registered or certified mail, to the witness at an address designated by the witness or his attorney, if requested to do so by the witness, his attorney, or the party taking the deposition.

(2) If the witness desires to change any answer in the deposition submitted to him, each change, with a statement of the reason therefor, shall be made

by the witness on a separate form provided by the officer, shall be signed by the witness and affixed to the original deposition by the officer. A copy of such changes shall be furnished by the officer to each party.

(3) If the reading and signing have not been waived by the witness and by each party the deposition shall be signed by the witness and returned by him to the officer within thirty (30) days after it is submitted to the witness. If the deposition has been returned to the officer and has not been signed by the witness, the officer shall execute a certificate of that fact, attach it to the original deposition and deliver it to the party taking it. In such event, the deposition may be used by any party with the same force and effect as though it had been signed by the witness.

(4) In the event the deposition is not returned to the officer within thirty (30) days after it has been submitted to the witness, the reporter shall execute a certificate of that fact and cause the certificate to be delivered to the party taking it. In such event, any party may use a copy of the

deposition with the same force and effect as though
the original had been signed by the witness.
