

Why am I opposed to annexation?

- **Safety** – City of Bloomington Police Dept
- **Safety** - unhoused population – drugs, higher crime
- Bonfire, chickens, plant a trees/flowers where I choose in my yard without having to get a permit. City has stricter rules and regulations.
- Choose own trash pick-up.
- I do not want street lights in my neighborhood- light pollution

Will it financially impact the area?

- Yes, additional property taxes will create a financial hardship for people me, my family and the people who live in Area 1A and 1B.
- I live in the Van Buren township and my fire dept will not change, but I will be taxed twice. LIT and County tax. Taxed twice for the same service I already have.
- The county will receive less revenue which will effect the Fire Protection, Monroe Library and the School Corporation.
- Will Impact how businesses.
